 Query 4

 Layers..... 5

STEP 1: Enter this URL to your browser <https://ddalmis.org.in/>

STEP 2: Now, User will see Login Page.

Login Page: User will Enter Login Credentials given to you and Click on Login Button, if you wish to Remember username / password to the browser so check on “Remember Me link”.

The screenshot shows the 'Authority Login' page for the Delhi Development Authority, Government of India. The page includes a header with the DDA logo and name. The login form contains the following elements:

- Username:** A text input field with the placeholder 'Imadmin'.
- Password:** A password input field with masked characters '.....'.
- show password:** A checkbox to toggle password visibility.
- Captcha Code (Case-Sensitive):** A text input field with the placeholder 'Enter Captcha *'.
- Remember Me:** A checkbox to save login credentials.
- Forgot Password?:** A link to recover a forgotten password.
- Login:** A button to submit the login credentials.
- Cancel:** A button to clear the form and exit.

Callouts provide additional instructions:

- Clicking on Login Button, we will redirect to Home Page of this Module.
- Here, we will fill Login Credentials given to User by DDA.
- Check this box and show your Password.
- If You wants to recover your Password, then click on “**Forgot Password**” Link.
- Cancel button is using for cancelling all The process and clear all the Credentials.

STEP 3: After Login Successfully, we will redirect to Project Landing Page.

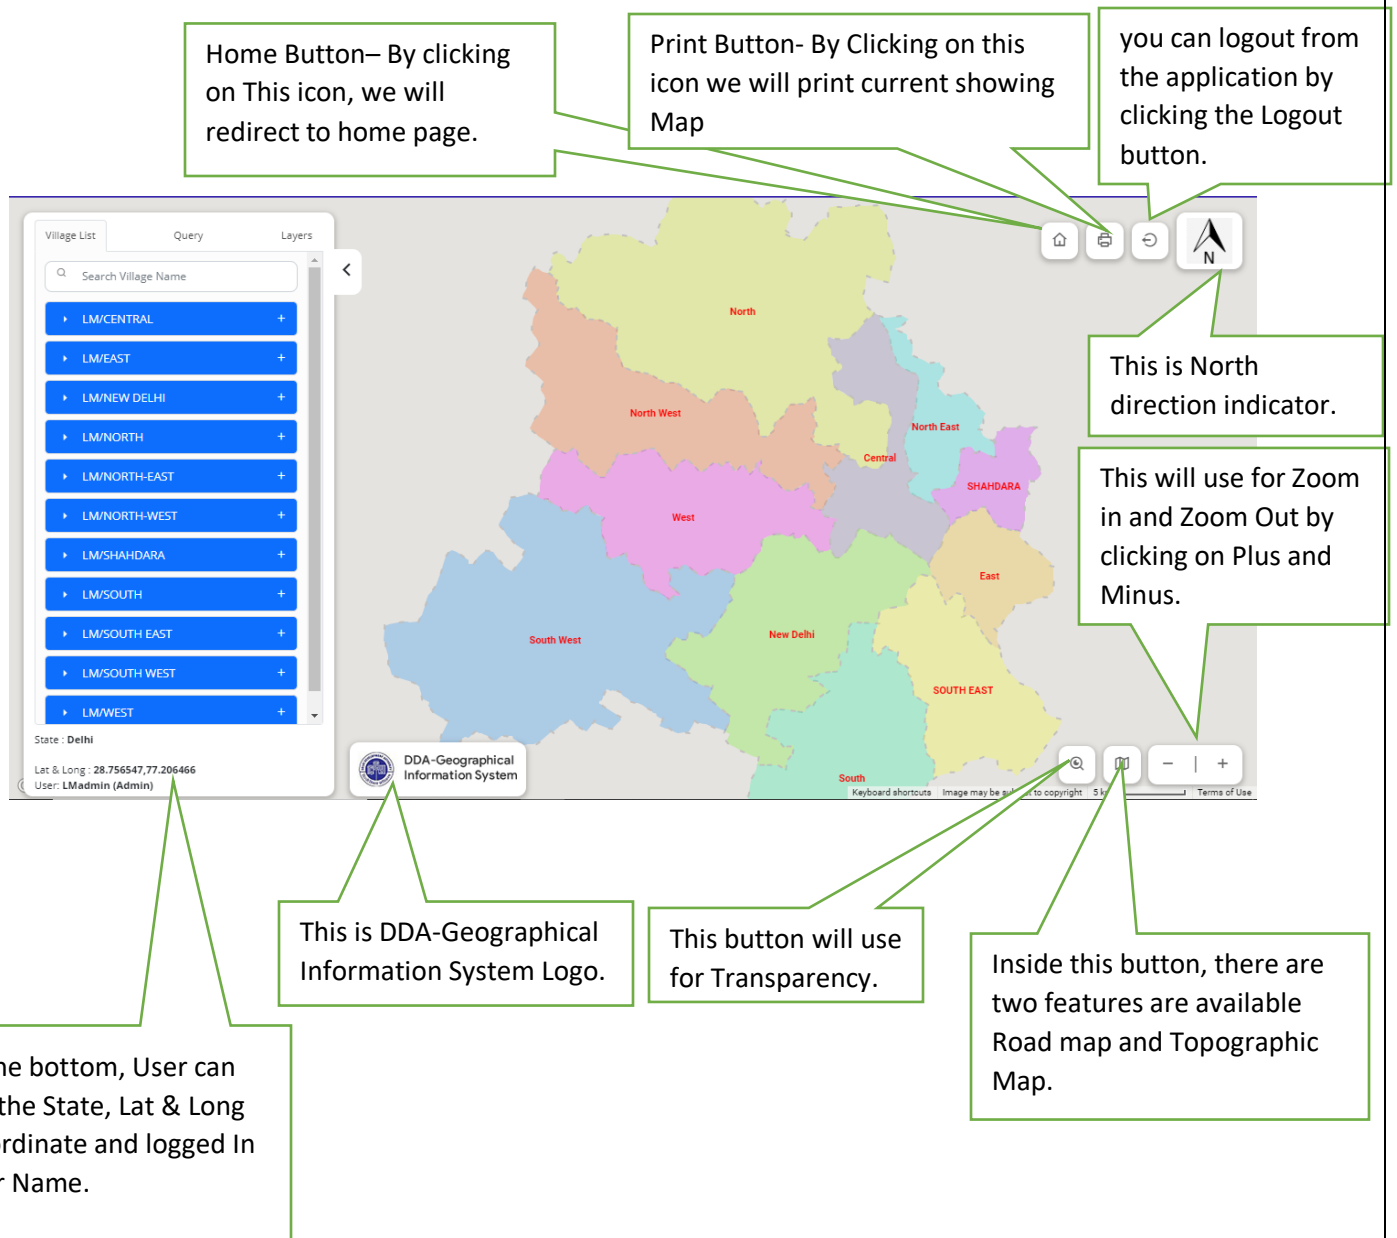

Landing Page: Here, we can see authorized modules List and we can choose the module where we want to visit.

The screenshot shows the Project Landing Page after a successful login. The page features a header with the DDA logo, a notification bell icon with '21' alerts, and a user profile icon labeled 'Hi LMadmin'. The main content area displays a list of authorized modules:

- Lease For Public:** Demand Payments, Ground Rent Payments, Lessee Services.
- Digitization & e-Record System:**
 - File Data Loading:** File Data Loading/Record room Module.
 - Document Management System:** Document Management System.
- GIS System for Acquired DDA Villages:**
 - GIS System:** GIS System for Acquired DDA Villages.

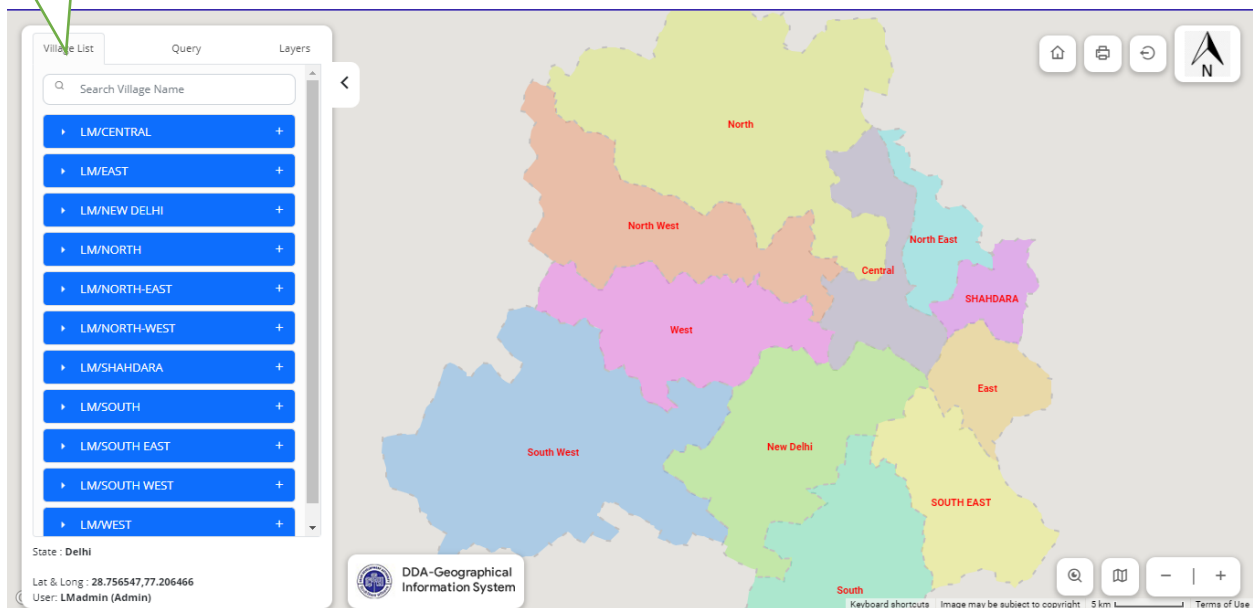

A callout points to the 'Open' button next to the 'GIS System' module, stating: "Clicking On open button at **GIS System module**, we will be landing to the Home Page of the particular module."

Home Page: After Successfully Open, we will Redirect to Home page.

- **Village List:** There are showing Zones and its Village List inside it.

We can see village List inside the particular Zone.

Either we can find village inside the Zone or we can search by enter village name into the text box.

- **Query:** This section will be used to filter the data on the map.

Clicking on Query section, we can see a particular khasra No. on the map by using filter dropdown of Zone, village and khasra No.

The screenshot displays the DDA-Geographical Information System interface. On the left, a 'Query' panel is active, showing filters for Zone (LM/CENTRAL), Village (Burari), and Khasra (138/9). The main map area shows a grid of land parcels, with a red line and green markers indicating the selected area. A callout box points to the selected area, stating: 'khasra No. is showing on the basis of selected Zone, Village and Khasra No.' The bottom of the interface shows the State (Delhi), Village (BURARI), and coordinates (Lat & Long: 28.740288, 77.192714). The user is identified as LMAdmin (Admin). The DDA-Geographical Information System logo is also visible.

- **Layers:** There are showing all layers and these layers will be showing on the map with unique color coding.

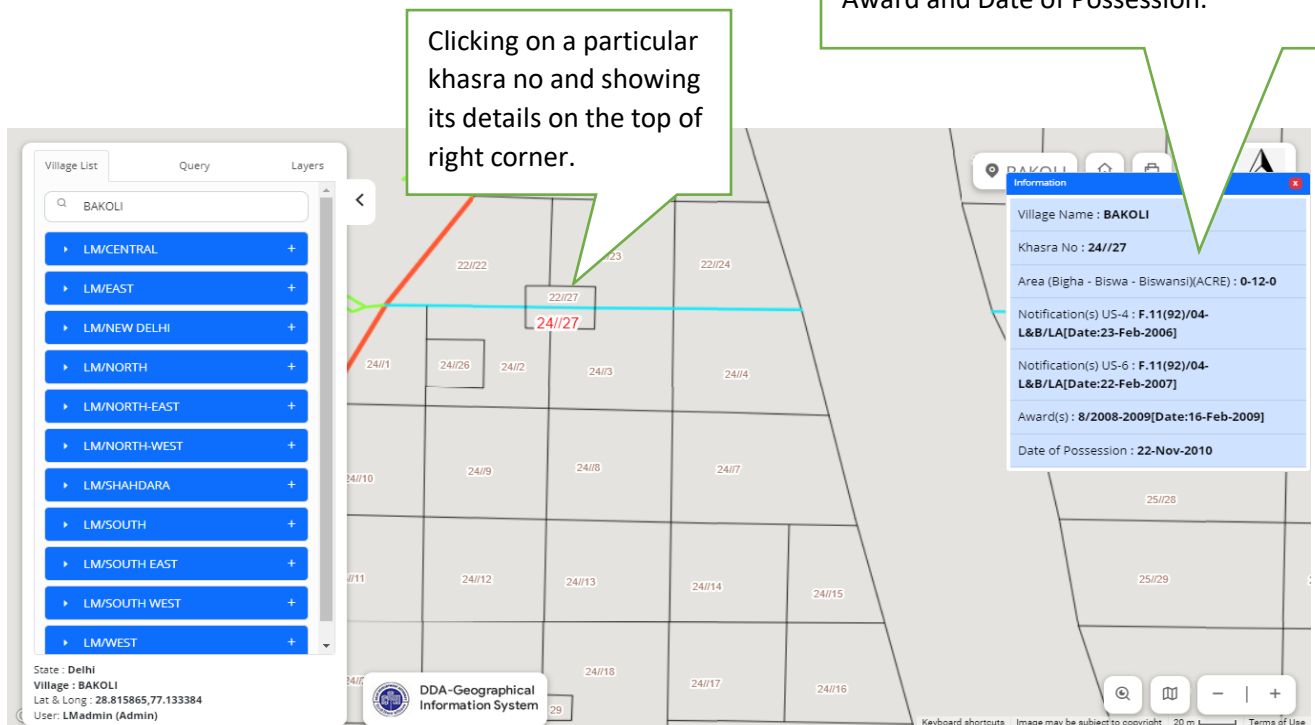

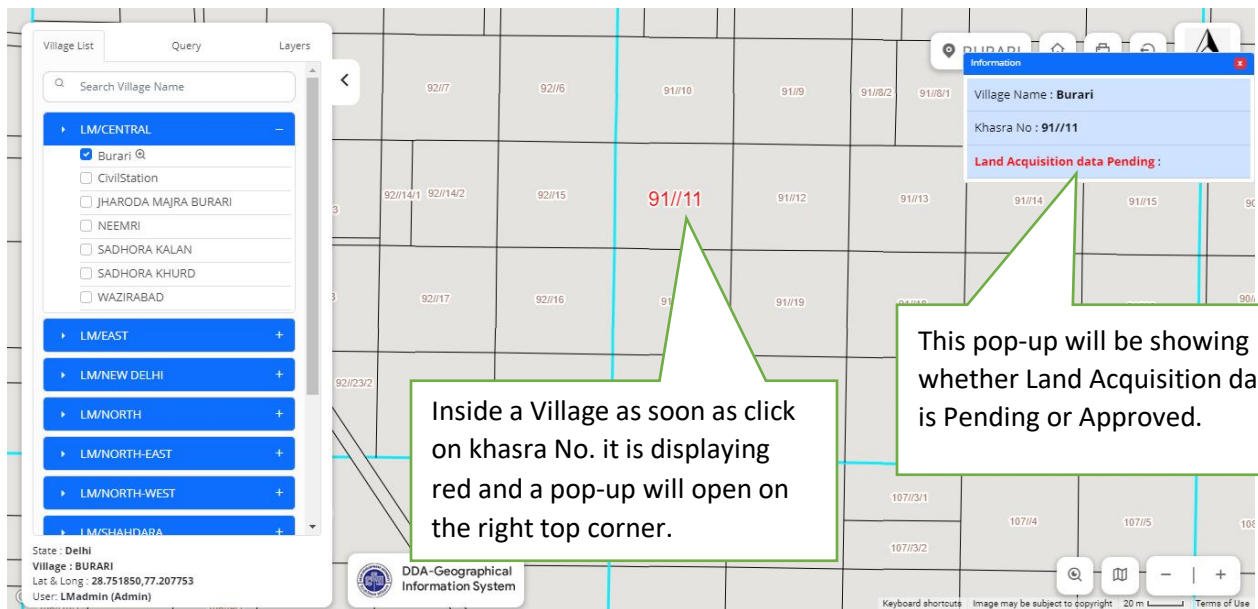

If Check box is checked, then this layer is showing on the map.

If Check box is unchecked, then this layer is not showing on the map.

Clicking on Layers option, there will be showing all available village's layers.

All Layers are showing with assigned unique color on Map.

Clicking on a particular khasra no and showing its details on the top of right corner.

There are showing some Information such as Village name, Khasra No., Area, Notification(US-4), Notification (US-6), Award, Date of Possession and Case No.
