**STEP 1.** : Enter this URL to your browser <https://ddalmis.org.in/>

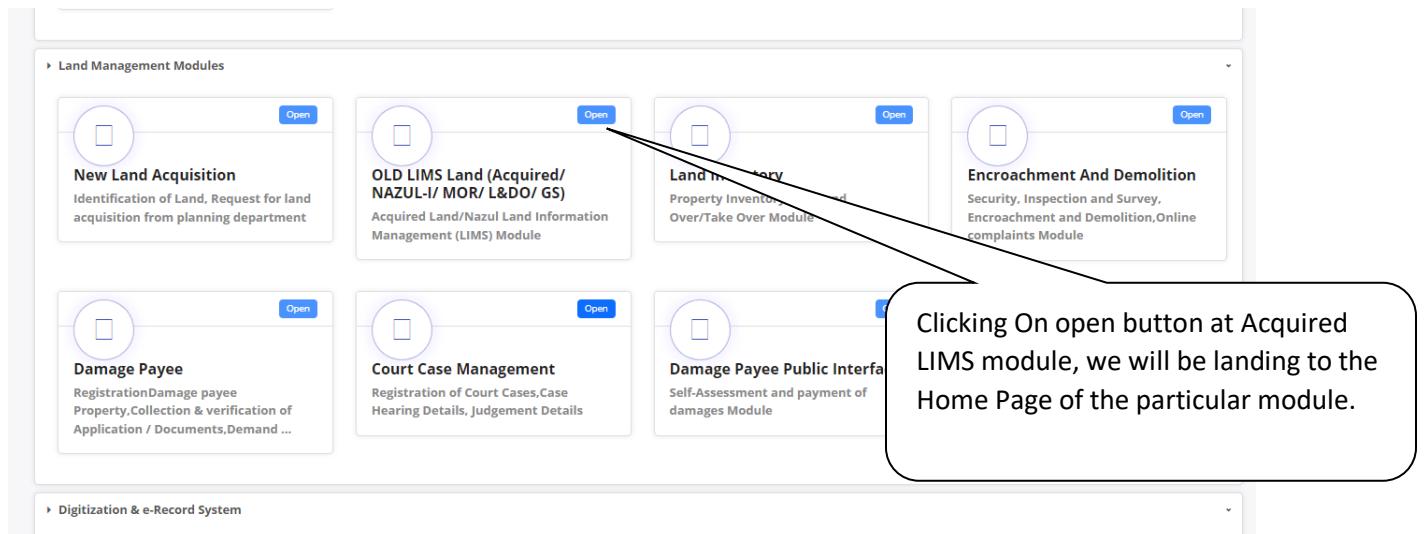

**STEP 2:** Now, User will see Login Page.

**Login Page:** User will Enter Login Credentials given to you and Click on Login Button, if you wish to Remember username / password to the browser so check on “Remember Me link”.

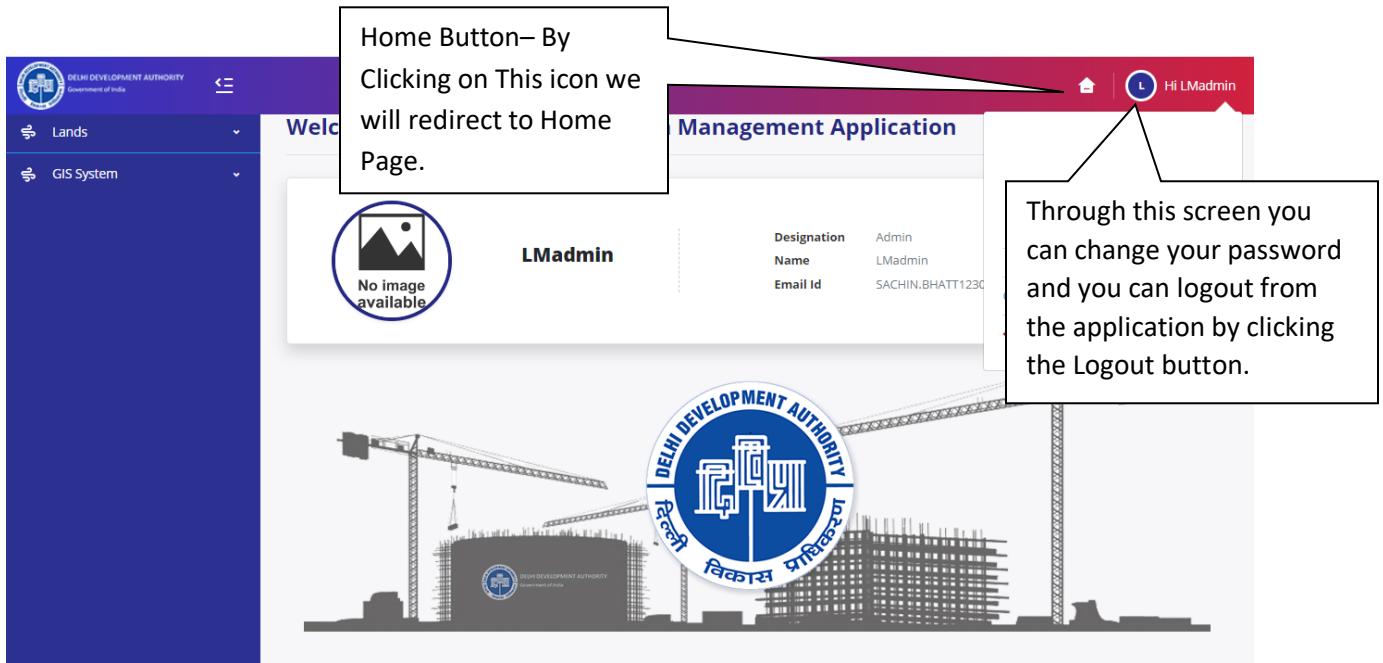

**STEP 3:** After Login Successfully, we will redirect to Project Landing Page.

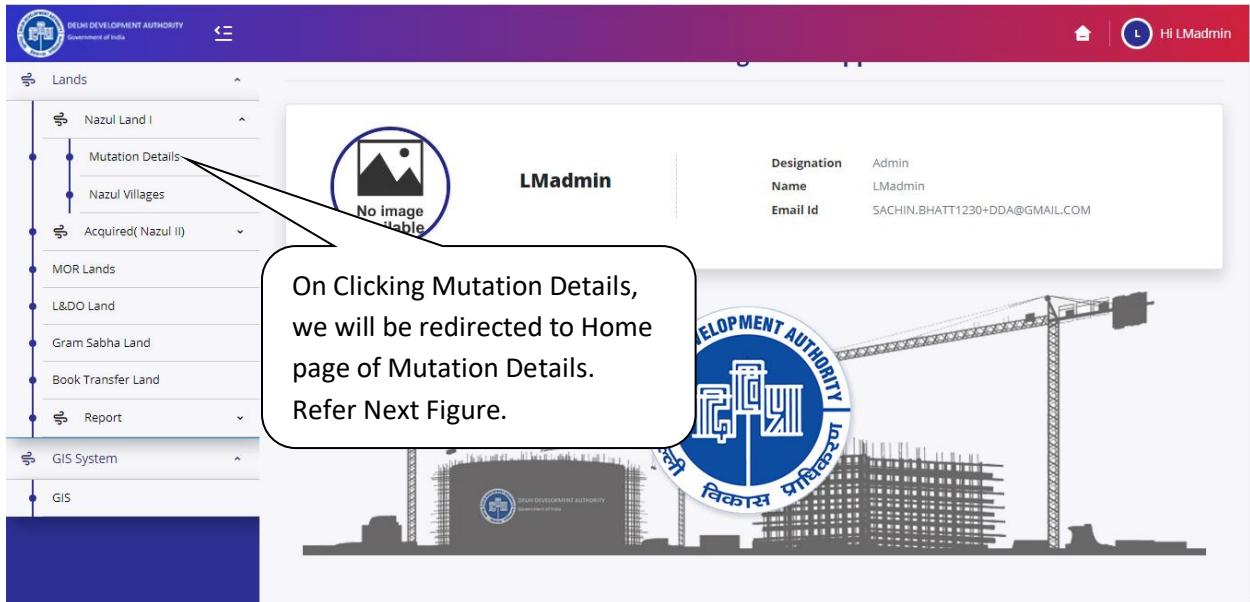

**Landing Page:** Here, we can see authorized modules List and we can choose the module where we want to visit.

**Home Page:** After Successfully login, we will Redirect to Home page.

### Mutation Details

## Mutation Details Home Page.

The screenshot shows the 'Mutation Details' page. At the top, there's a search bar with 'Village' and 'Khasra No.' dropdowns, a 'Reset' button, and a 'Submit' button. Below the search is a table titled 'Mutation Details' with columns: Village, Khasra No., Mutation Owner/Lessee, Mutation No., Mutation Fees, Status, and Operation. The table contains several rows of data. At the bottom left, it says 'Showing 1 to 5 of 22 entries'. On the right, there are buttons for '+ Add More' and 'Download'. The page has a header with 'DELI DEVELOPMENT AUTHORITY Government of India' and a user 'Hi LMadmin'.

**Annotations:**

- Reset Button will be used to clear applied filter.** Points to the 'Reset' button in the search bar.
- Existing Records.** Points to the table of mutation details.
- Pagination** Points to the 'Showing 1 to 5 of 22 entries' and the page number dropdown.
- Clicking on Search button we can search records on the basis of above text box.** Points to the 'Search' section at the top.
- For sorting records ascending & Descending order.** Points to the 'Sort by' dropdown menu.
- Here we can perform different operation as View/Edit/Delete** Points to the 'Operation' column in the table.
- Clicking on add more we will redirect to create page (refer next figure).** Points to the '+ Add More' button.

## Add More Page- Here, we can add new records by entering data into the given fields.

The screenshot shows the 'Add More' page. It has fields for 'Mutation Fees', 'Mutation Date', 'New Account Code', 'Jalai/Sakni Code', 'Mutation Type', and 'Status'. Below these is a section titled 'Mutation Particulars' with fields for 'Name', 'Father's Name', 'Address', 'Share in (%)', and 'Operation'. There's also a file upload field for 'Upload Mutation Order' and a remarks text area. At the bottom are 'Submit' and 'Back' buttons.

**Annotations:**

- Clicking on Create button we will save records and redirect to Home Page.** Points to the 'Submit' button.
- Clicking on Back Button, we will redirect to home page of the same module.** Points to the 'Back' button.
- Here we choose record status as Active /Inactive.** Points to the 'Status' dropdown.

**View Page – Clicking on View button at home page under operation column, we will redirect to view page. Here we can read and verify the data.**

**Update** **Back**

Clicking on Update Button, we can update the existing data of the same record & redirect to Home Page.

**Delete Operation- Clicking on View button at home page under operation column, we will redirect to view page. Here we can read and verify the data.**

The screenshot shows a web application interface for land management. On the left, a sidebar menu includes options like Masters, Proposal, Notifications, Awards, Deposit, Enhance Compensation, Encroachment, Lands, and Nazul Lands. The main content area is titled "Mutation Details". It features a search bar and a table with columns: Village, Khasra No., Mutation Owner/Lessee, and Mutation No. The table contains several rows of data. A modal dialog box is overlaid on the page, asking "Are You Sure, You want to Delete this Record?" with "OK" and "Cancel" buttons. A callout bubble points to this dialog with the text: "Clicking On Delete button this pop up open to confirm delete operation." Below the table, a note says "Showing 1 to 5 of 11 entries". At the bottom of the page, there's a footer with links to Terms & Conditions, Privacy Policy, Copyright Policy, Helpdesk Policy, Accessibility Statement, and Help & Contact. The URL https://oldacquisition.ddalmis.org.in/Mutation/Delete/1 is visible at the bottom left.

Clicking On Delete button this pop up open to confirm delete operation.

- On Clicking Ok we can delete inactive record.
- On Clicking Cancel we cancel

## Nazul Village

The screenshot shows the "Welcome to DDA Land Information Management Application" page. The left sidebar has a "Lands" section with "Nazul Land I" expanded, showing "Mutation Details", "Nazul Villages" (which is highlighted with a callout), and "Acquired(Nazul II)". Other options include "MOR Lands", "L&DO Land", "Gram Sabha Land", "Book Transfer Land", and "Report". Below this is a "GIS System" section. The main content area has a placeholder image icon with the text "No image available". To the right, user information is displayed: "LMadmin", "Designation: Admin", "Name: LMadmin", and "Email Id: SACHIN.BHATT1230+DDA@GMAIL.COM". A large watermark of the DDA logo (Delhi Development Authority) is present. A callout bubble points to the "Nazul Villages" link in the sidebar with the text: "On Clicking Nazul Village, we will be redirected to Home page of Nazul Village. Refer Next Figure". The URL https://oldacquisition.ddalmis.org.in/Nazul/index is visible at the bottom left.

## Nazul Village Home Page.

The screenshot shows a web application interface for 'Nazul Village'. At the top left is the logo of 'DEHLI DEVELOPMENT AUTHORITY Government of India' and a 'Lands' menu item. On the right, there's a user session indicator 'Hi LMadmin'. The main content area has a purple header 'Nazul Village'. Below it is a search bar with a placeholder 'Village' and a 'Search' button. A 'Reset' button is located just below the search bar. To the left of the search bar, a callout box says 'Reset Button will be used to clear applied filter.' To the right of the search bar, another callout box says 'Clicking on Search button we can search records on the basis of above text box.' Below the search bar is a table titled 'Nazul Village' with columns: 'Village', 'Area(Bigha-Biswa-Biswanshi)', 'Status', and 'Operations'. The table contains five rows of data. A 'Sort by' dropdown is set to 'Village Name'. A 'Pagination' callout points to a 'Showing 1 to 5 of 12 entries' section with a page number '5'. A ' + Add More' button is at the top right of the table. Callouts around the table explain sorting ('For sorting records ascending & Descending order.'), operations ('Here we can perform different operation as View/Edit/Delete'), and the '+ Add More' button ('Clicking on add more we will redirect to create page (refer next figure)').

**Add More Page- Here, we can add new records by entering data into the given fields.**

The screenshot shows the 'Add Details' page for 'Nazul Villages'. The top navigation includes the 'Lands' and 'GIS System' menus. The main form has a title 'Add Details' and a note '\* Marked are mandatory fields'. It contains several input fields: 'Village Name \*' (dropdown menu with 'Select...'), 'Date Of Notification' (text input), 'Upload GOI Notification Document' (file upload input with 'Choose file | No file chosen'), 'Sizra Map Upload' (file upload input with 'Choose file | No file chosen'), 'Area' (two text inputs 'Bigha' and 'Biswa' with character count validation '4 characters left.' and '2 characters left.'), 'Status \*' (dropdown menu with 'Active'), and two buttons 'Submit' and 'Back'. Callouts explain the 'Submit' button ('On Click on Submit we save records. And redirect to home page.'), the 'Status' dropdown ('Here we choose record status as Active /Inactive.'), and the 'Back' button ('Clicking on Back Button, we will redirect to home page of the same module.').

**View Page – Clicking on View button at home page under operation column, we will redirect to view page. Here we can read and verify the data.**

The screenshot shows the 'Nazul Villages' view page. It includes fields for Village Name (NEEMRI), Date Of Notification (06/10/2021), Area measurements (Bigha: 1, Biswa: 2, Biswanshi: 4), and Status (Active). A 'Back' button is highlighted with a callout box containing the text: "Clicking on Back Button, we will redirect to home page of the same module."

**Edit Page- On click on Edit button at home page under operation category, we will redirect to edit page. Here we can edit all related record.**

The screenshot shows the 'Nazul Villages' edit page. It includes fields for Village Name (NEEMRI), Date Of Notification (07/08/2021), Area measurements (Bigha: 90, Biswa: 30, Biswanshi: 24), and Status (Active). An 'Update' button is highlighted with a callout box containing the text: "Clicking on Update Button, we can update the existing data of the same record & redirect to Home Page."

**Delete Operation- Clicking on View button at home page under operation column, we will redirect to view page. Here we can read and verify the data.**

The screenshot shows the DELHI DEVELOPMENT AUTHORITY Lands module. A modal dialog box is open, asking "oldacquisition.ddalmis.org.in says Are you sure, you want to delete this record?". There are "OK" and "Cancel" buttons. Below the dialog is a search interface with a "Village" input field and a "Search" button. A table lists villages with their areas and statuses. A callout bubble points to the "OK" button with the text: "Clicking On Delete button this pop up open to confirm delete operation." Another callout bubble points to the "Cancel" button with the text: "- On Clicking Ok we can delete inactive record.  
- On Clicking Cancel we cancel delete".

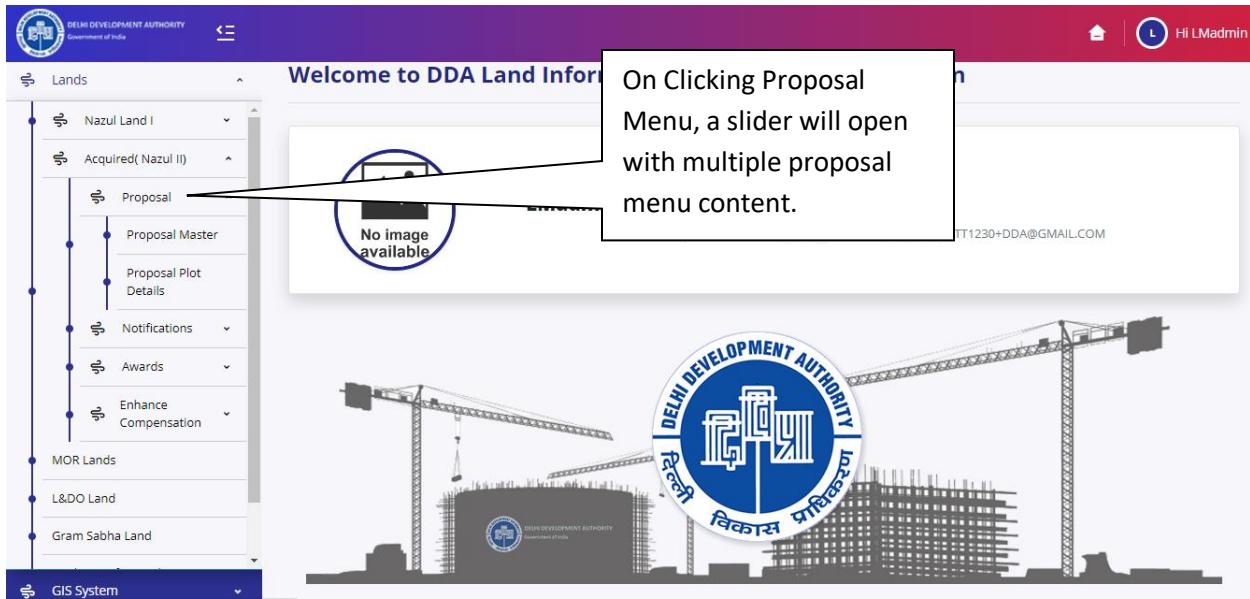

Village	Area(Bigha-Biswa-Biswanshi)	Status	Operations
NEEMRI	1 - 2- 4	Inactive	
NEEMRI	90 - 30- 24	Active	
NEEMRI	66 - 55- 33	Inactive	
PINDWALA KHURD	93 - 23- 23	Active	
RASUL PUR	122 - 15- 20	Active	

## Proposal

### Proposal Master:

The screenshot shows the DELHI DEVELOPMENT AUTHORITY Lands module. On the left, a sidebar navigation tree includes "Nazul Land I" and "Acquired(Nazul II)", with "Proposal" selected. The main content area displays a search interface and a table of proposals. A callout bubble points to the "Proposal" item in the sidebar with the text: "On Clicking proposal, we will be redirected to Home page of proposal. Refer Next Figure".

Village	Area(Bigha-Biswa-Biswanshi)	Status	Operations
NEEMRI	1 - 2- 4	Active	
NEEMRI	90 - 30- 24	Active	
NEEMRI	66 - 55- 33	Inactive	
PINDWALA KHURD	93 - 23- 23	Active	
RASUL PUR	122 - 15- 20	Active	

### Proposal Master Home Page.

Reset Button will be used to clear applied filter.

Existing Records.

Clicking on Search button we can search records on the basis of above text box.

For sorting records ascending & Descending order.

Here we can perform different operation as View/Edit/Delete

## Notification U/S-17

### Notification U/S-17 Master Home Page.

The screenshot shows the 'Notification U/S-17 Master' page. At the top, there is a search bar with two text boxes: 'Notification No(U/S-17)' and 'Notification No(U/S-6)'. Below the search bar is a 'Reset' button and a 'Search' button. To the right of the search area, a callout box says: 'Clicking on Search button we can search records on the basis of above text box.' On the left side of the main content area, a callout box says: 'Reset Button will be used to clear applied filter.' Another callout box labeled 'Existing Records.' points to the list of records. The list table has columns: 'Notification No(U/S-17)', 'Notification Date', 'Notification No(U/S-6)', 'Status', and 'Operations'. The first few rows of data are:

Notification No(U/S-17)	Notification Date	Notification No(U/S-6)	Status	Operations
F.7(23)/95-L&B/LA	10-Sep-1997	F.7(23)/95-L&B/LA	Active	
4-6-17	Mar-1981	NA	Active	
6-17F9(10)/08/L&B/LA	11-Ju	NA	Active	
6-new-T	28-Jun-200	NA	Active	
F.1(12)/79-L&B(ii)	04-Jun-1984	NA	Active	

Below the table, it says 'Showing 1 to 5 of 416 entries'. To the right of the table, there are navigation links from 1 to 8 and 'Next >'. A callout box for the 'Operations' column says: 'For sorting records ascending & Descending order.' Another callout box for the 'Operations' column says: 'Here we can perform different operation as View/Edit/Delete'.

Add More Page- Here, we can add new records by entering data into the given fields.

The screenshot shows the 'Notification U/S-17' creation page. On the left, a sidebar lists modules: Masters, Proposal, Notifications, Awards, Disposal, Enhance Compensation, Encroachment, and Lands. A callout box for the 'Create' button says: 'Clicking on Create button we will save records and redirect to Home Page.' In the main form, there are fields for 'Notification No.' and 'Notification Date' (dd-mm-yyyy). Below these are sections for 'Notification Type' (with a dropdown menu showing 'Notification U/S-6' and 'Select...') and 'Status' (with a dropdown menu showing 'Active'). At the bottom of the form are 'Create' and 'Back' buttons. A callout box for the 'Back' button says: 'Clicking on Back Button, we will redirect to home page of the same module.' Another callout box for the 'Status' field says: 'Here we choose record status as Active /Inactive.' At the very bottom of the page, there is a footer with links: 'Privacy Policy | Copyright Policy | Hyperlink policy | Accessibility Statement | Help' and 'Powered by DDA, Government of India.'

## Award

### Award Master Details

On Clicking Awards, we will be redirected to Home page of awards. Refer Next Figure

The screenshot shows a web application interface. On the left, there is a sidebar with a navigation tree:

- Awards** (selected)
- Award Master
- Award Detail
- Possession Detail
- Disposal
- Enhance Compensation
- Encroachment
- Lands
- Nazul Lands

The main content area has a search bar with "Search" and "Reset" buttons. Below the search bar is a table with the following columns: Award Number, Award date, Village Name, Proposal Name, Status, and Operations. The table contains several rows of data.

Award Number	Award date	Village Name	Proposal Name	Status	Operations
0099888777	12-Mar-2021	Cbr	cbr proposal	Active	
11009	18-Feb-2021	test23444	89	Active	
1202202100	12-Feb-2021	DDD land village00	pp	Inactive	
432	06-Mar-2021	Cbr	cbr proposal	Active	
980	12-Mar-2021	Cbr	cbr proposal	Active	

At the bottom of the table, it says "Showing 1 to 5 of 16 entries". To the right of the table, there are navigation links: "Activate Windows", "1 2 3 4 Next > Go to Settings to activate Windows".

### Award Master Details Home Page.

The screenshot shows the same web application interface as the previous figure, but with different annotations:

- Reset Button** will be used to clear applied filter.
- Existing Records.**
- Pagination**
- Clicking on Search button** we can search records on the basis of above text box.
- For sorting records ascending & Descending order.**
- Here we can perform different operation as View/Edit/Delete**
- Clicking on add more** we will redirect to create page (refer next figure).

The main content area includes a search bar with "Award Number" and "Search" buttons. Below the search bar is a table with the same columns as the previous figure. The table contains several rows of data. At the bottom of the table, it says "Showing 1 to 5 of 1986 entries". To the right of the table, there are navigation links: "1 2 3 4 5 6 7 8 Next > Go to Settings to activate Windows".

Add More Page- Here, we can add new records by entering data into the given fields.

On Click on Submit we save records. And redirect to home page.

Here we choose record status as Active /Inactive.

Clicking on Back Button, we will redirect to home page of the same module.

**View Page – Clicking on View button at home page under operation column, we will redirect to view page. Here we can read and verify the data.**

On click Back, we will redirect to home page of same module.

**Edit Page- On click on Edit button at home page under operation category, we will redirect to edit page. Here we can edit all related record.**

The screenshot shows the 'Edit Details' page for an Award Master. The page has a sidebar with navigation links: Masters, Proposal, Notifications, Awards, Disposal, Enhance Compensation, Encroachment, Lands, and Nazul Lands. The main content area is titled 'Edit Details' and contains the following fields:

- Award Number: 0099887777
- Award Date: 12/03/2021
- Village: CIR
- Compensation: test.com
- Land A Rate: 23
- Land B Rate: -26
- Type: Permanent (radio button selected)
- Purpose: test pur
- Nature: Plan (radio button selected)
- Undersection No: 6  
Undersection No: 9088790
- Remarks: test purpose

At the bottom are 'Update' and 'Back' buttons. A callout box contains the text: "On click of update, we updated data of the same record & redirect to home."

**Delete Operation- Clicking on View button at home page under operation column, we will redirect to view page. Here we can read and verify the data.**

The screenshot shows the 'Award Master Details' page. The sidebar includes: Masters, Proposal, Notifications, Awards, Disposal, Enhance Compensation, Encroachment, Lands, and Nazul Lands. The main content area displays a table of award records:

Award Number	Award date	Village Name	Proposal Name
0099887777	12-Mar-2021	CIR	cir proposal
11999	18-Feb-2021	test23444	99
1202202195	12-Feb-2021	DDO land village00	pp
432	06-Mar-2021	CIR	cir proposal
880	12-Mar-2021	CIR	cir proposal

A modal dialog box asks: "Are you sure, you want to delete this record?" with 'OK' and 'Cancel' buttons. A callout box states: "Clicking On Delete button this pop up open to confirm delete operation." Below it, two points are listed: "- On Clicking Ok we can delete inactive record." and "- On Clicking Cancel we cancel".

## Award Plot Details

On Clicking Award Plot Details, we will be redirected to Home page of Award Plot Details. Refer Next Figure

The screenshot shows the 'Award Plot Details' home page. At the top, there's a search bar with 'Award Number' and a 'Search' button. Below it is a table with columns: Award No., Village Name, Khasra No., Status, and Operations. The table contains 16 entries. At the bottom, there are pagination controls (Showing 1 to 5 of 16 entries) and a footer with links like Terms & Conditions, Privacy Policy, Copyright Policy, Hyperlink policy, Accessibility Statement, Help, and © Copyright Owned by DDA, Government of India.

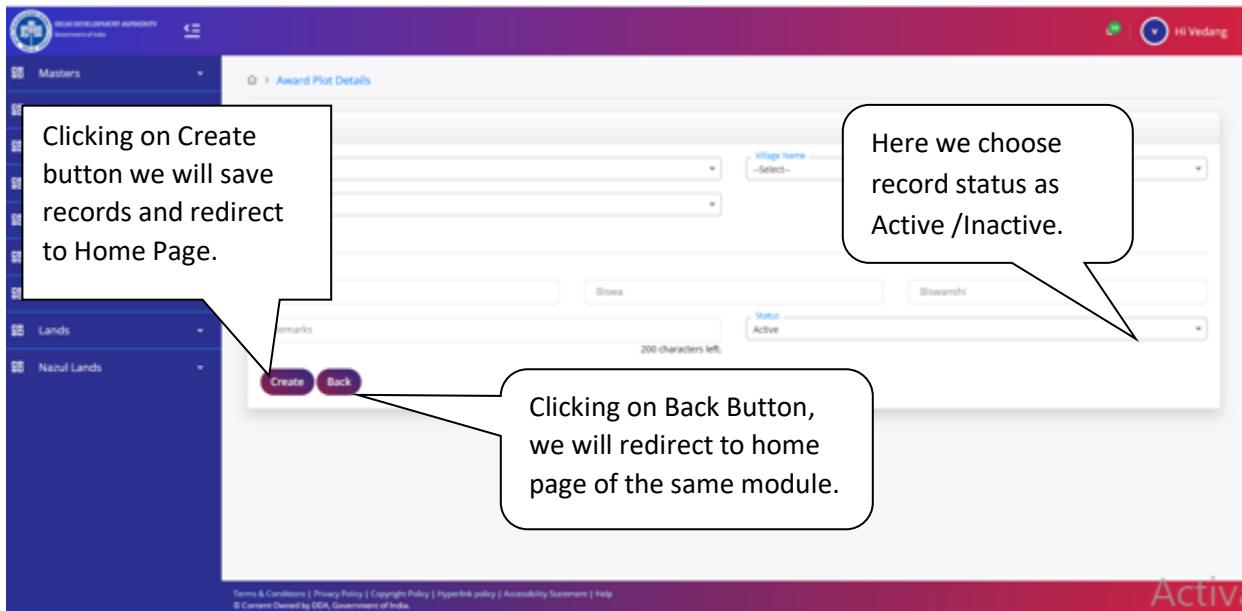

Award No.	Village Name	Khasra No.	Status	Operations

## Encroachment

### Encroachment Details

On Clicking Encroachment Details, we will be redirected to Home page of Encroachment Details. Refer Next Figure

## Encroachment Details Home Page.

The screenshot shows the 'Encroachment Details' page. On the left, a sidebar lists modules like Masters, Proposal, Notifications, etc. The main area has a search bar with 'Village Name' and 'Khelsa Number' fields, a 'Search' button, and a 'Reset' button. Below is a table with columns: Village Name, Khelsa No., Land Use, Reference No., Action Taken, Status, and Operations. The table shows several entries. At the bottom are buttons for 'Add More' and 'Download'. Pagination controls (1-5) are at the bottom left, and a toolbar with icons is at the bottom right.

Reset Button will be used to clear applied filter.

Clicking on Search button we can search records on the basis of above text box.

Existing Records.

Pagination

For sorting records ascending & Descending order.

Clicking on add more we will redirect to create page (refer next figure).

Here we can perform different operation as View/Edit/Delete

Add More Page- Here, we can add new records by entering data into the given fields.

The screenshot shows the 'Name Encroacher Details' page. It includes sections for 'Damage Area' (radio buttons for Yes/No), 'Name Encroacher Details' (table with columns Sr.No, Name, Address), 'Payment Details' (table with columns Sr.No, Amount, Cheque Number, Due Date, Action), and a 'Remarks' text area. At the bottom are buttons for 'Status' (Active/Inactive), 'Create' (which is highlighted), and 'Back'.

Clicking on Create button we will save records and redirect to Home Page.

Here we choose record status as Active /Inactive.

Clicking on Back Button, we will redirect to home page of the same module.

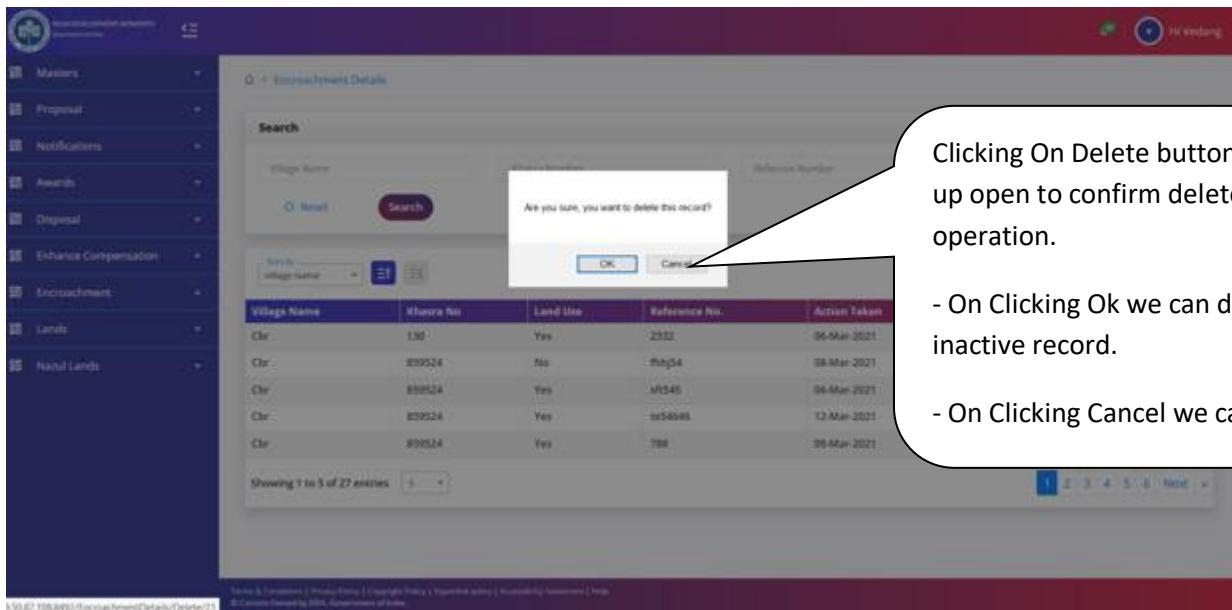

**View Page – Clicking on View button at home page under operation column, we will redirect to view page. Here we can read and verify the data.**

This screenshot shows the 'Name Encroacher Details' view page. On the left, there's a vertical navigation menu with items like Masters, Proposal, Notifications, etc. The main area displays two tables: 'Name Encroacher Details' and 'Payment Details'. The 'Name Encroacher Details' table has one row with Sr.No 1 and Name 'test1'. The 'Payment Details' table also has one row with Sr.No 1 and Amount 'test1'. At the bottom left, there are 'Status' dropdowns set to 'Active' and buttons for 'Update' and 'Back'. A callout box points to the 'Back' button with the text: "Clicking on Back Button, we will redirect to home page of the same module."

**Edit Page- On click on Edit button at home page under operation category, we will redirect to edit page. Here we can edit all related record.**

This screenshot shows the 'Name Encroacher Details' edit page. The interface is similar to the view page, with a navigation menu on the left and two tables in the center. The 'Name Encroacher Details' table now has two rows: one with Sr.No 1 and Name 'test1', and another with Sr.No 2 and Name 'test4'. The 'Payment Details' table also has two rows. At the bottom left, there are 'Status' dropdowns set to 'Active', and buttons for 'Update' and 'Back'. A callout box points to the 'Update' button with the text: "Clicking on Update Button, we can update the existing data of the same record & redirect to Home Page."

**Delete Operation- Clicking on View button at home page under operation column, we will redirect to view page. Here we can read and verify the data.**

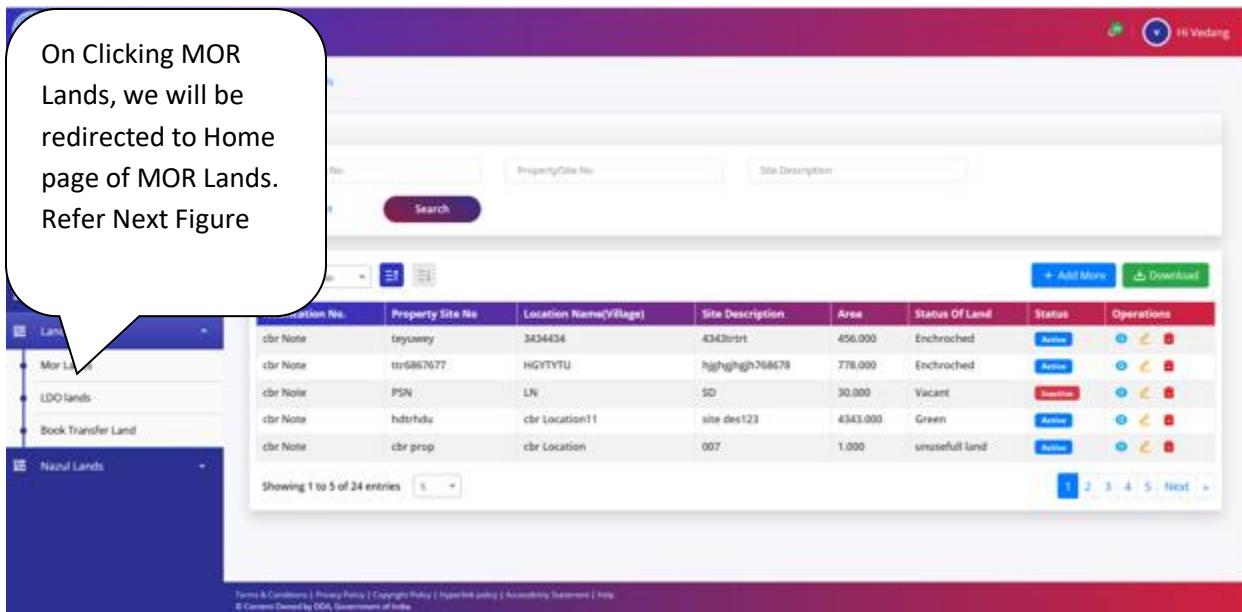

Clicking On Delete button this pop up open to confirm delete operation.

- On Clicking Ok we can delete inactive record.
- On Clicking Cancel we cancel

## Lands

### MOR Lands

On Clicking MOR Lands, we will be redirected to Home page of MOR Lands. Refer Next Figure

## MOR Lands Home Page.

The screenshot shows a web application interface for managing land notifications. On the left, a sidebar menu includes 'Masters', 'Proposal', 'Notifications', 'Enroachment', 'Lands', and 'Nazul Lands'. The main area is titled 'Mor Lands' and contains a search bar with fields for 'Notification No.' and 'Property/Village Name', and a 'Search' button. Below the search bar is a 'Sort by' dropdown and a 'Filter' icon. A table lists 24 entries with columns: 'Notification No.', 'Property/Village Name', 'Location Name(Village)', 'Site Description', 'Area', 'Status Of Land', 'Status', and 'Operations'. The 'Operations' column contains icons for 'Active', 'Inactive', 'Reserve', 'Delete', and 'Edit'. At the bottom, there is a pagination control showing 'Showing 1 to 5 of 24 entries' and a 'Next' button.

**Reset Button will be used to clear applied filter.**

**Existing Records.**

**Pagination**

**Clicking on Search button we can search records on the basis of above text box.**

**Clicking on add more we will redirect to create page (refer next figure).**

**For sorting records ascending & Descending order.**

**Here we can perform different operation as View/Edit/Delete**

**Add More Page:** Here, we can add new records by entering data into the given fields.

The screenshot shows a form for creating a new land record. The form fields include:  
**Status of Land:** Allotted, Vacant, Encroached, Green (radio buttons).  
**Developed:** Yes (radio button).  
**Land Type:** Surveyed, Retained, Un-Surveyed (radio buttons).  
**Status:** Active (dropdown menu).  
**Remarks:** A text input field.  
**Buttons:** 'Create' and 'Back'.

**Clicking on Create button we will save records and redirect to Home Page.**

**Here we choose record status as Active /Inactive.**

**Clicking on Back Button, we will redirect to home page of the same module.**

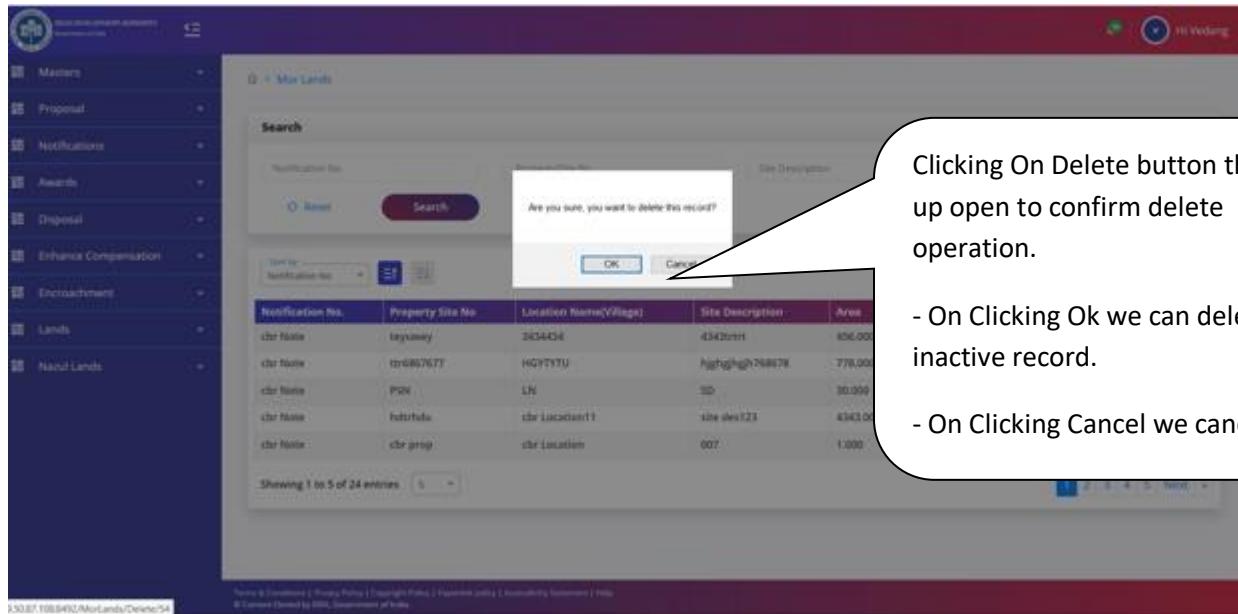

**View Page – Clicking on View button at home page under operation column, we will redirect to view page. Here we can read and verify the data.**

Clicking on Back Button, we will redirect to home page of the same module.

**Edit Page- On click on Edit button at home page under operation category, we will redirect to edit page. Here we can edit all related record.**

Clicking on Update Button, we can update the existing data of the same record & redirect to Home Page.

**Delete Operation- Clicking on View button at home page under operation column, we will redirect to view page. Here we can read and verify the data.**

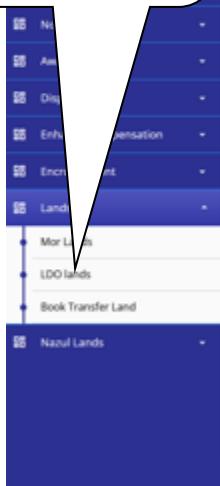

Clicking On Delete button this pop up open to confirm delete operation.

- On Clicking Ok we can delete inactive record.
- On Clicking Cancel we cancel

## LDO lands

On Clicking LDO Lands, we will be redirected to Home page of LDO Lands. Refer Next Figure

The screenshot shows a table with the following data:

Notification No.	Notification Date	Serial No.	Property/Site No.	Location Name(Village)	Status	Operations

**Delete Operation- Clicking on View button at home page under operation column, we will redirect to view page. Here we can read and verify the data.**

## Nazul lands

### Jarai Details

On Clicking Jarai Details, we will be redirected to Home page of Jarai Details. Refer Next Figure

The screenshot shows a web application interface for 'Jarai Details'. On the left, there is a sidebar with various navigation options: 'Area', 'Disposition', 'Enhanced Compensation', 'Encroachment', 'Lands', 'Nazul Lands', 'Jarai Details' (which is highlighted in blue), 'Sakni Details', 'Mutation Details', and 'Nazul Villages'. The main content area has a title 'Jarai Details' and a search bar with fields for 'Village Name' and 'Khasra No.' A 'Search' button is located below the search bar. Below the search area is a table titled 'Village Name' with columns: Village Name, Khasra No., Year Of Janabandi, No Of Khewat, No Of Khatauni, Naam Patti, Status, and Operations. The table contains five rows of data. At the bottom of the table, it says 'Showing 1 to 5 of 26 entries'. On the far right of the table, there are buttons for '+ Add More' and 'Download'. The footer of the page includes links for 'Terms & Conditions', 'Privacy Policy', 'Copyright Policy', 'Hyperlink Policy', 'Accessibility Statement', and 'Help', followed by a note that the content is owned by DCR, Government of India.

### **Jarai Details Home Page.**

This screenshot is identical to the one above, showing the 'Jarai Details' home page. It includes the same sidebar, search bar, table of land records, and footer. Several callout boxes provide detailed explanations of specific features:

- A box labeled 'Reset Button will be used to clear applied filter.' points to the 'Reset' button in the search bar.
- A box labeled 'Clicking on Search button we can search records on the basis of above text box.' points to the 'Search' button.
- A box labeled 'Existing Records.' points to the table of land records.
- A box labeled 'Pagination' points to the pagination controls at the bottom of the table.
- A box labeled 'For sorting records ascending & Descending order.' points to the 'Sort By' dropdown menu.
- A box labeled 'Here we can perform different operation as View/Edit/Delete' points to the 'Operations' column in the table, which contains icons for View, Edit, and Delete.
- A box labeled 'Clicking on add more we will redirect to create page (refer next figure).' points to the '+ Add More' button.

Here we can perform different operation as View/Edit/Delete

Add More Page- Here, we can add new records by entering data into the given fields.

Here we choose record status as Active /Inactive.

Sr.No	Lessee Name	Father's Name	Address	Mortgage Details	Action

Add More Page- Here, we can add new records by entering data into the given fields.

The screenshot shows a web application interface for 'Tenant Details'. On the left is a vertical navigation menu with items like Masters, Proposal, Notifications, Awards, Disposal, Enhance Compensation, Encroachment, Lands, and Nazul Lands. The main content area has two sections: 'Tenant Details' and 'Khasra Details'. In the 'Tenant Details' section, there is a table with columns: Sr.No, Tenant Name, Father's Name, Address, and Action. A single row is present with Sr.No 1. Below this table is a 'Create' button. In the 'Khasra Details' section, there are several input fields: Khasra No (with value 859524), Plot No., Area(Sq.Yard), Category, Lease Amount, Mortgage, Old Mutation No., Rent Amount, Status (Active), and Remarks. Below these fields are 'Create' and 'Back' buttons. A callout box points to the 'Create' button with the text: 'Clicking on Create button we will save records and redirect to Home Page.' Another callout box points to the 'Back' button with the text: 'Clicking on Back Button, we will redirect to home page of the same module.'

**View Page – Clicking on View button at home page under operation column, we will redirect to view page. Here we can read and verify the data.**

This screenshot shows the same 'Tenant Details' page as the previous one, but it displays a single record for viewing. The 'Khasra Details' section now includes a 'Renewal Date' field with the value '01 / 01 / 0001'. A callout box points to the 'Back' button with the text: 'Clicking on Back Button, we will redirect to home page of the same module.'

**Edit Page- Clicking on Edit button at home page under operation column, we will redirect to edit page. Here we can modify the data related to that particular record**

The screenshot shows the DDA Online Application System interface. On the left is a vertical navigation menu with options like Masters, Proposal, Notifications, Awards, Disposal, Enhance Compensation, Encroachment, Lands, and Nazul Lands. The main content area has two sections: 'Tenant Details' and 'Khasra Details'. In the 'Khasra Details' section, there are fields for Khara No (899524), Plot No., Area(Sq.Yard), Category, Lease Amount, Renewal Date (dd/mm/yy), Mortgage, Rent Amount, Old Mutation No., and Remarks. At the bottom of this section is a purple 'Update' button. A callout bubble with a black border and white text points to this button with the text: 'Clicking on Update Button, we can update the existing data of the same record & redirect to Home Page.'

**Delete Operation- Clicking on View button at home page under operation column, we will redirect to view page. Here we can read and verify the data.**

The screenshot shows the DDA Online Application System interface. The left navigation menu is identical to the previous screenshot. The main content area shows a search result for 'Salei Details'. A table lists several entries with columns: Village Name, Khara No., No OF Kharat, No OF Khatam, Location, and Manzil. One row is selected, showing Village Name as 'Cir', Khara No. as '899524', No OF Kharat as '9888', No OF Khatam as '347831', Location as 'delhi 26', and Manzil as 'MST'. Below the table is a message: 'Showing 1 to 5 of 38 entries'. A callout bubble with a black border and white text points to a 'Delete' button in a modal dialog box that appears over the table, containing the text: 'Are you sure, you want to delete this record?' with 'OK' and 'Cancel' buttons. Another callout bubble with a black border and white text points to the 'OK' button in the dialog box with the text: 'Clicking On Delete button this pop up open to confirm delete operation.' Below this, a list of actions is provided: '- On Clicking Ok we can delete inactive record.' and '- On Clicking Cancel we cancel'.
