**STEP 1:** Enter this URL to your browser <https://ddalmis.org.in/>

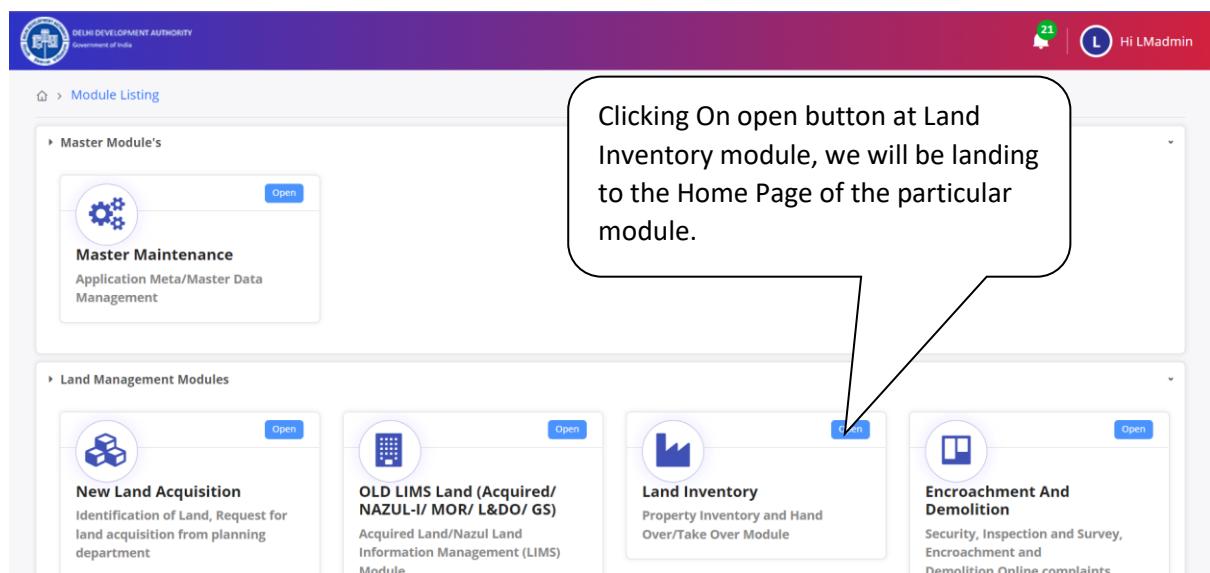

**STEP 2:** Now, User will see Login Page.

**Login Page:** User will Enter Login Credentials given to you and Click on Login Button, if you wish to Remember username / password to the browser so check on “Remember Me link”.

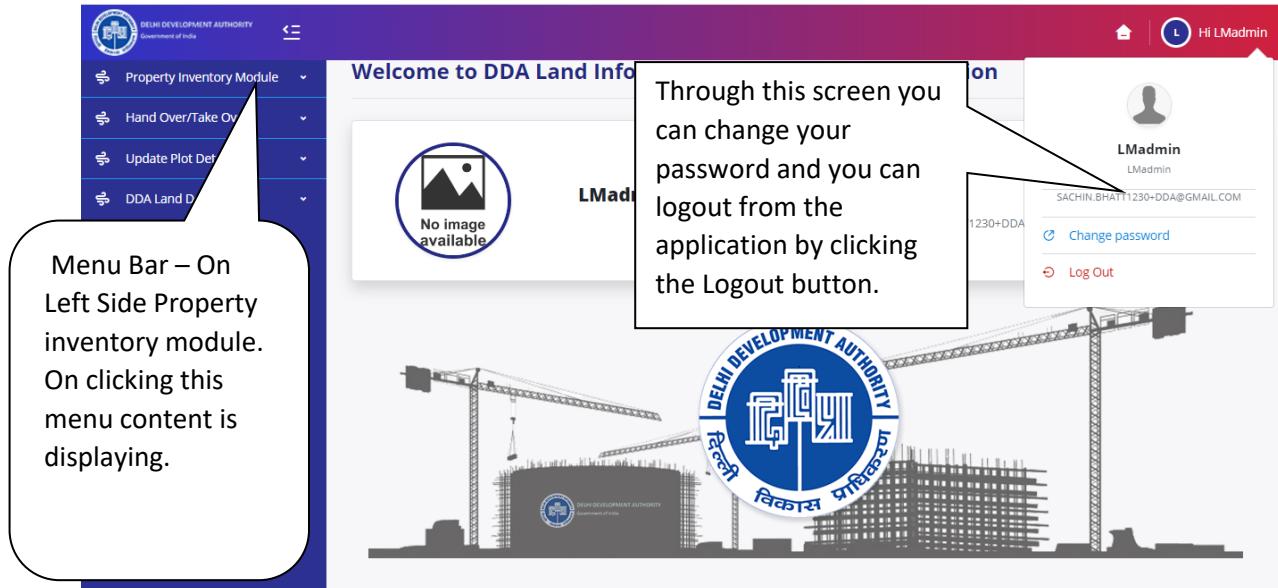

**STEP 3:** After login successfully, we will redirect to landing page.

**Landing Page:** Here, we can see authorized modules List and we can choose the module where we want to visit.

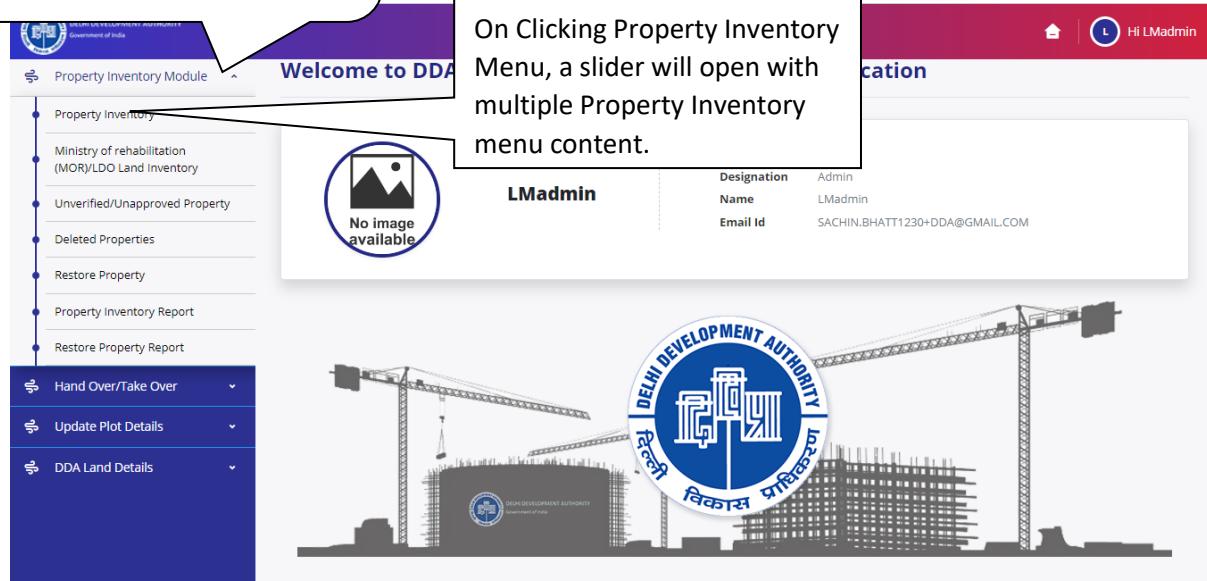

**Home Page:** This is the home page of Land Inventory Module.

## Property Inventory

On Clicking Property Inventory, we will be redirected to Home page of Property Inventory. Refer Next Figure.

## Property Inventory Home Page.

Reset Button will be used to clear applied filter.

Clicking on Search button we can search records on the basis of above text box.

Existing Records.

For sorting records ascending & Descending order.

Clicking on add more we will redirect to create page (refer next figure).

Here we can perform different operation as View/Edit/Delete.

**View Page – Clicking on View button at home page under operation column, we will redirect to view page. Here we can read and verify the data.**

The screenshot shows a web-based application for the Delhi Development Authority's Property Inventory Module. The top navigation bar includes a logo for the Delhi Development Authority, a search bar, and a user profile for 'Hi LMadmin'. The left sidebar has dropdown menus for 'Property Inventory Module', 'Hand Over/Take Over', 'Update Plot Details', and 'DDA Land Details'. The main content area displays a plot record with the following details:

- Litigation**: Litigation Status is set to 'No'.
- Other Details**:
  - Built-Up\*: No
  - GEO Referencing Done: Yes
  - Latitude: 28.73093965
  - Longitude: 77.12642835
- Remarks**: A large text area with a character limit of 4000 characters.

A callout box points to the 'Back' button at the bottom left of the form, stating: "Clicking on Back button, we will redirect to home page of same module."

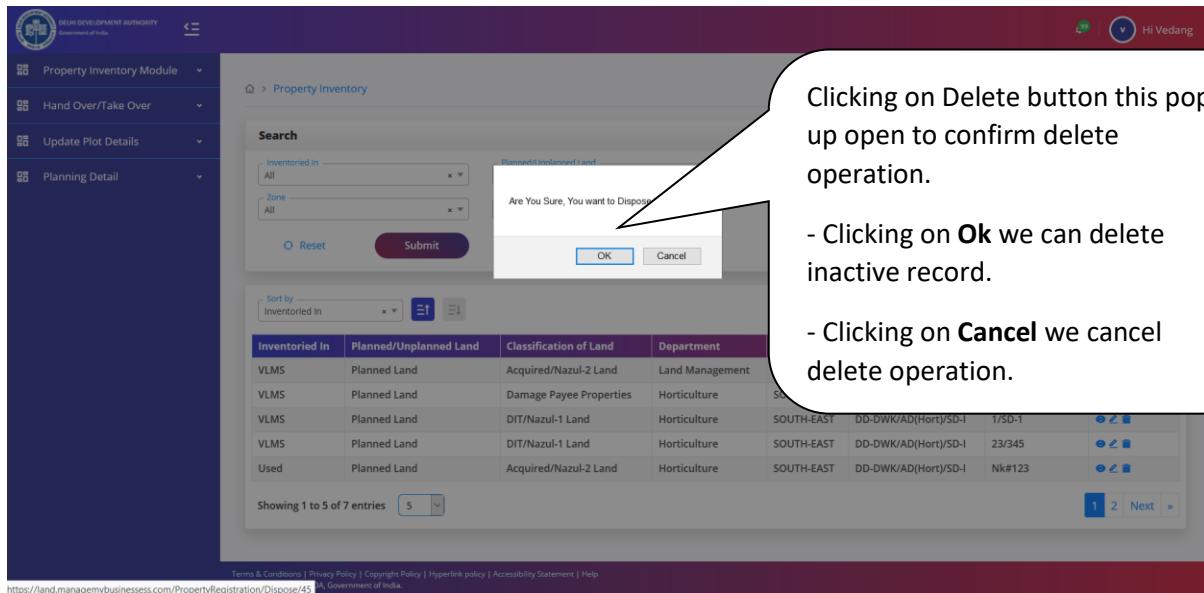

**Edit Page- Clicking on Edit button at home page under operation column, we will redirect to edit page. Here we can modify the data related to that particular record.**

The screenshot shows the same web-based application for the Delhi Development Authority's Property Inventory Module. The main content area displays a plot record with the following details:

- Main Land Use**: Commercial
- Sub Use**: Wholesale Market
- Litigation**: Litigation Status is set to 'No'.
- Other Details**:
  - Built-Up\*: No
  - GEO Referencing Done: Yes
  - Latitude: 28.73093965
  - Longitude: 77.12642835
- Remarks**: A large text area with a character limit of 4000 characters.

A callout box points to the 'Update' button at the bottom left of the form, stating: "Clicking on of update, we updated data of the same record & redirect to home."

**Delete Operation- Clicking on Delete button at home page under operation column a pop up will open to confirm the delete operation, we can delete (inactive) record of the module.**

Clicking on Delete button this pop up open to confirm delete operation.

- Clicking on **Ok** we can delete inactive record.
- Clicking on **Cancel** we cancel delete operation.

## Unverified/Unapproved Property

Clicking on Unverified/Unapproved Property, we will be redirected to Home page of Unverified/Unapproved Property. Refer Next Figure.

The screenshot shows the 'Hand Over/Take Over Report (Khasra No. Wise)' module. On the left, a sidebar menu includes options like 'Land Handover/Takeover', 'Unverified Transfer Records', 'Hand Over/Take Over Report(Department Zone/Division and Locality Wise)', 'Hand Over/Take Over Report of Land Transfer(Department Wise)', and 'Hand Over/Take Over Report(Khasra No. Wise)'. The main content area has a title 'Details' and a search bar with placeholder text 'Khasra No HandoverTakenoverreport(Departmentzone division locality wise) 267 Min'. Below the search bar are 'Search' and 'Reset' buttons. A 'Sort by' dropdown is set to 'Department'. A 'Download' button is available. A table header row includes columns for Department, Zone, Division, Locality(Village), Khasra No., Handed Over By, Handed Over Date, Taken Over By, Taken Over Date, and Transfer order Iss. The message 'Data Not Available' is displayed. At the bottom, it says 'Showing 1 to 0 of 0 entries' and a page number '5'.

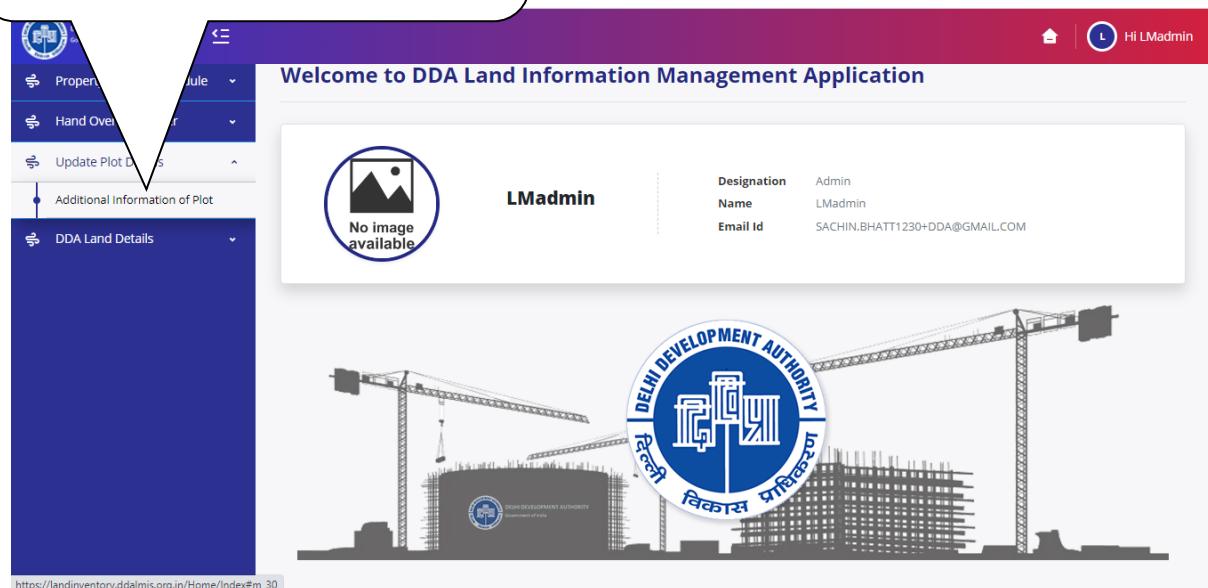

### **Hand Over/Take Over Report (Khasra No. Wise) Home Page.**

The screenshot shows the same module as above, with annotations explaining various features:

- A callout bubble points to the sidebar menu with the text "Existing Records."
- A callout bubble points to the search bar with the text "Clicking on search button we can search records on basis on above text boxes."
- A callout bubble points to the 'Sort by' dropdown with the text "For sorting records ascending & Descending order."
- A callout bubble points to the 'Reset' button with the text "Reset Button will be used to clear applied filter."

## Additional Information of Plot

On Clicking additional information of Plot Details we will be redirected to Home page of additional information of Plot Refer Next Figure.

## Additional Information of Plot Home Page.

The screenshot shows the "Additional Information of Plot" page. The left sidebar is identical to the previous screenshot. The main content area displays a table titled "Engineering/Horticulture/LM/Planning Land Status Records". The table has columns for Department, Zone, Division, Locality(Village), and Operation. The data in the table is as follows:

Department	Zone	Division	Locality(Village)	Operation
Horticulture	SOUTH-E	DD-DWK/AD(Hort)/SD-I	Nehru Place District Centre, Plot No. A-4	Add Additional Details of Plot   View History
Land Management	LM/SOUTH	LM SZ		Add Additional Details of Plot   View History
Land Management	LM/CENTRAL	LM CZ	Wazira Bad	Add Additional Details of Plot   View History
Land Management	LM/CENTRAL	LM CZ	Wazira Bad	Add Additional Details of Plot   View History
Land Management	LM/CENTRAL	LM CZ	Wazira Bad	Add Additional Details of Plot   View History

Below the table, there is a message "Showing 1 to 5 of 5 entries" and a pagination control with the number "5". Several callout boxes provide additional context: one points to the table with the text "Existing Records.", another points to the "Sort by" dropdown with "Pagination", and others point to specific table rows with the text "For sorting records ascending & Descending order." and "Here we can perform different operation as View/Add."

**Add More Page- Here, we can add new records by entering data into the given fields.**

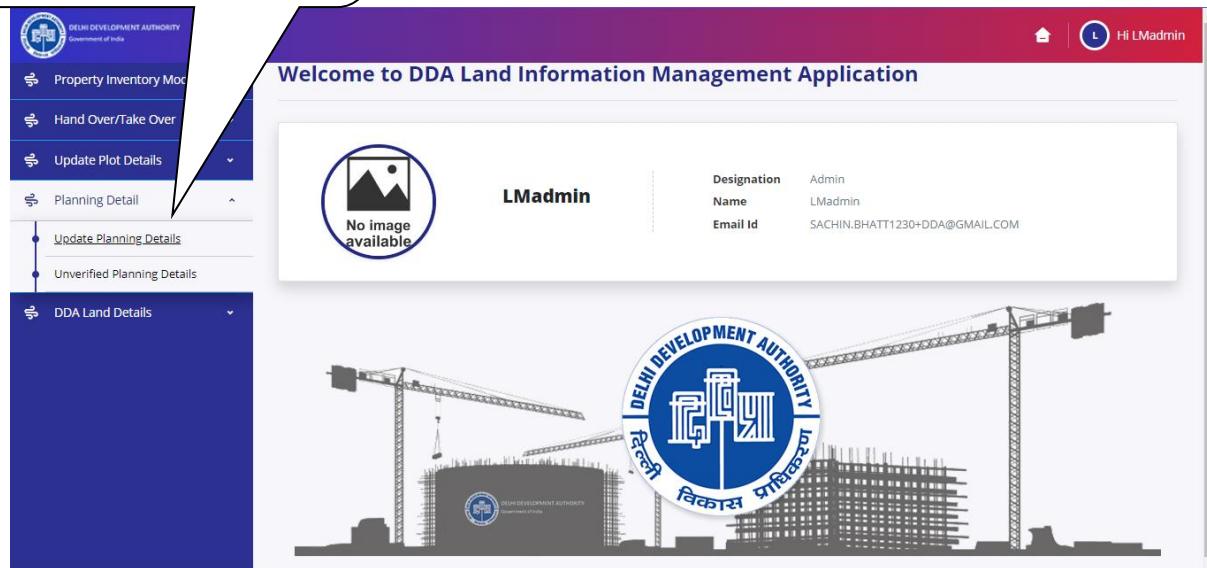

The screenshot shows the 'TSS Survey' form within the 'DDA Land Details' module. The form includes fields for 'TSS Survey' (dropdown), 'Encroached Details' (dropdown), 'Fencing/Boundary Wall' (dropdown), 'Area /Plot Utilization' (dropdown), and 'Remarks' (text area). At the bottom are 'Submit' and 'Back' buttons. A callout box points to the 'Create' button on the left, stating: 'Clicking on Create button we save records. And redirect to home page.' Another callout box points to the 'Back' button, stating: 'Clicking on Back Button, we will redirect to home page of the same module.'

**View Page – Clicking on View button at home page under operation column, we will redirect to view page. Here we can read and verify the data.**

The screenshot shows the 'View History' page within the 'DDA Land Details' module. It features a search section with 'From Date' and 'To Date' fields, 'Filter', 'Refresh', and 'Back' buttons. Below is a table with columns: Department, Zone, Division, Locality(Village), Khasra No., and Action (with a 'Download' button). A callout box points to the 'Back' button, stating: 'Clicking on Back button, we will redirect to home page of same module.'

## Planning

On Clicking Planning, we will be redirected to Home page of Planning. Refer Next Figure.

## Planning Home Page.

This screenshot shows the "Planning" module's home page. On the left, there's a sidebar with "Property Inventory Module", "Hand Over/Take Over", "Update Plot Details", "Planning Detail" (selected), and "Unverified Planning Details". The main content area has a purple header "Planning". Below it is a search bar with fields for "Department" and "Zone", and a "Submit" button. A callout box points to the "Submit" button with the text: "Clicking on Search button we can search records on the basis of above text box." Another callout box points to the "Reset" button in the sidebar with the text: "Reset Button will be used to clear applied filter." The main content area also contains a table of existing records:

Department	Zone	Division	Unplanned Property	Planned Property	Operation
Engineering	DWARKA	W	Not Available	Not Available	Verified Property
Horticulture	SOUTH-EAST	DD-II/AD(Hort)	Chri Sagar Lal/I/9871985408	Not Available	Verified Property
Horticulture	SOUTH-EAST	DD-II/AD(Hort)	Meena/V/9999673339	Not Available	Verified Property
Horticulture	NORTH-WEST	DD-II/AD(Hort)/Sh	U/9999004965	Not Available	Verified Property
Horticulture	NORTH-WEST	DD-II/AD(Hort)/Sh	U/9999004966	Not Available	Verified Property

A callout box points to the table with the text: "Existing Records.". Another callout box points to the "Sort by" dropdown with the text: "For sorting records ascending & Descending order.". A callout box points to the "Pagination" button with the text: "Here we can perform Verified property operation." A callout box points to the "Add More" button with the text: "Clicking on add more we will redirect to create page (refer next figure.)."

Add More Page- Here, we can add new records by entering data into the given fields.

The screenshot shows the 'Add Details' form under the 'Planning' module. The form includes fields for Department (dropdown), Division (dropdown), Zone (dropdown), and Remarks (text area). Below the form are two scrollable lists: 'Unplanned Properties' and 'Planned Properties'. At the bottom are 'Create' and 'Back' buttons. A callout box points to the 'Create' button with the text: 'Clicking on Create we save records. And redirect to home page.' Another callout box points to the 'Back' button with the text: 'Clicking on Back Button, we will redirect to home page of the same module.'

## Planning Verification
