Clicking on Back Button, we will redirect to home page of the same module.

On Clicking Inspection/Encroachment Register, we will redirect to Home page of Inspection/Encroachment Register.

Inspection/Encroachment Register

This screenshot shows the 'Inspection/Encroachment Register' page. The left sidebar lists various modules: Watch & Ward, Encroachment Inspection, Inspection/Encroachment Register, Inspection/Encroachment Approval Process, Request For Fixing of Demolition Programme, Request For Fixing of Demolition Programme Approval, Police Assistance letter, Watch & Ward Period Report, Inspection/Encroachment Register Period Report, and Demolition Report. The main content area displays a table of inspection records. The table has columns for Date, Locality(Village)/Colony, Khasra No./Plot No., Primary List No., Encroachment, Status on Ground, Status, Submitted On, and Action. One record is listed: Date 13-Jul-2022, Locality H005, Primary List No. H005, Encroachment No, Status on Ground TESTING ON LAND, Status Accepted, Submitted On 13-Jul-2022 12:58:52 PM. A 'Download' button is also present.

Inspection/Encroachment Register Home Page.

This screenshot shows the 'Inspection/Encroachment Register' home page. The left sidebar includes 'Encroachment Module' and 'Demolition Process Module'. The main area features a 'Search' section with fields for Date (mm/dd/yyyy), Locality Name, Khasra No., and Primary List No., along with a 'Reset' and 'Search' button. Below the search is a table with columns: Date, Locality(Village)/Colony, Primary List No., Encroachment, Status on Ground, Status, and Operations. A message indicates 'Showing 1 to 0 of 0 entries'. A 'Sort by' dropdown is set to 'Date'. Buttons for '+ Add More' and 'Download' are visible. Callouts provide additional details: 'Existing Records.' points to the search bar area; 'Pagination' points to the 'Showing 1 to 0 of 0 entries' text; 'For sorting records ascending & Descending order.' points to the 'Sort by' dropdown; and 'Here we can perform Edit operation.' points to the 'Operations' column.

Add More Page- Here, we can add new records by entering data into the given fields.

This screenshot shows the 'Add Details' page of the 'Inspection/Encroachment Register'. At the top right, there is a user profile with the name 'Ladmin'. A callout box points to the search results area, stating: 'Here we fetch record from Watch& Ward Details.' Below this, a note says 'Marked are mandatory fields' with a red asterisk. The search results show 'No Data Available'. The form includes fields for Department (dropdown), Division (dropdown), Khasra No/Plot No. (dropdown), Zone (dropdown), Locality(Village) Name (dropdown), and Date (date input). The 'Site Details' section contains fields for Area Unit (dropdown), Bigha, Biswa, and Biswansi, along with an area input field ('Area(in sq. mt.)'). There is also a location input field ('Location/Address with land mark*'), an encroachment status radio button ('No' selected), and a note about mandatory fields.

This screenshot shows the same 'Add Details' page with a different set of data. A callout box points to the 'Land Ownership' dropdown, stating: 'Here we choose Land ownership, Possession with DDA, and other department record from dropdown.' The 'Land Ownership' dropdown is currently set to 'DDA Land'. Other fields visible include 'Photo (max size 5 mb)' (input field with 'Choose files' button), 'Location Map(.pdf only)' (input field with 'Choose files' button), and a 'Remarks*' text area. At the bottom, there are 'Submit' and 'Back' buttons.

Clicking on Search button we can search records on the basis of above text box.

Clicking on Back Button, we will redirect to home page of the same module.

Inspection/Encroachment Register Approval Process

Inspection/Encroachment Register Approval Process Home Page.

On Clicking Inspection/Encroachment Register Approval Process, we will redirect to Home page of Inspection/Encroachment Register Approval Process. Refer Next Figure.

The screenshot shows the 'Inspection/Encroachment Register Approval Process' home page. On the left, a sidebar lists various modules: Watch & Ward, Watch & Ward Approval Process, Inspection/Encroachment Register, Inspection/Encroachment Approval Process, Request for Fixing of Demolition Programme, Request for Fixing of Demolition Programme Approval, Police Assistance Letter, Demolition Report, Encroachment Report, and Monthly Roster. The main content area has a purple header bar with 'Hi Vedang'. Below it, a 'Filter' section has two radio buttons: 'Pending' (selected) and 'Approved'. A 'Sort by' dropdown is set to 'Date' with ascending ('<') and descending ('>') arrows. The table below shows one entry:

Date	Locality(Village)	Khasra No.	Status	Action
26-Nov-2020	Sub cr. Wholesale market at GT Karnal Road	9//23	Pending	

Annotations on the page include:

- A callout 'Existing Records.' points to the sidebar menu.
- A callout 'Here we filter record for pending and approved.' points to the 'Filter' section.
- A callout 'Here we can perform Edit operation.' points to the edit icon in the table's 'Action' column.
- A callout 'For sorting records ascending & Descending order.' points to the 'Sort by' dropdown.
- A callout 'Pagination' points to the 'Showing 1 to 1 of 1 entries' and '10' dropdown.

Add More Page- Here, we can add new records by entering data into the given fields.

The screenshot shows the 'Add More Page' for entering new records. The top navigation bar includes 'DDA', 'Delhi Development Authority', 'Government of India', 'Encroachment Module', and 'Demolition Process Module'. The main content area has a purple header bar with 'Hi Vedang'. Below it, a 'Details' section has two buttons: 'View Watch & Ward Details' and 'View Inspection/Encroachment Register Details'. The 'View Inspection/Encroachment Register Details' button is highlighted. The form fields for 'View Inspection/Encroachment Register Details' are as follows:

Department	MOR	Zone	NORTH EAST
Division	Select	Locality(Village) Name	Select
Khasra No.	Select	Date	26-11-2020
Area	45.000	Location/Address with land mark	A/119, pocket 9, opposite pursatam chok
Name of Encroacher	DDA		

Annotations on the page include:

- A callout 'Here we Fetch Record from Watch & Ward Details.' points to the 'View Watch & Ward Details' button.
- A callout 'Here we fetch all record from Inspection/Encroachment Register Details.' points to the 'View Inspection/Encroachment Register Details' button.

Clicking on Search button we can search records on the basis of above text box.

Request For Fixing of Demolition Programme

On Clicking Request for Fixing of Demolition Programme, we will redirect to Home page of Request for Fixing of Demolition Programme. Refer Next Figure.

Request for Fixing of Demolition Programme Home Page.

The screenshot shows the 'Request For Fixing of Demolition Programme' home page. At the top right is a user profile 'Hi Vedang'. Below it is a search bar with fields for 'Locality', 'Khasra', and 'Police Station', and a 'Search' button. A 'Reset' button is located just below the search bar. To the left of the search area, there's a sidebar with a vertical list of menu items: 'Inspection/Encroachment Approval Process', 'Request For Fixing of Demolition Programme', 'Request For Fixing of Demolition Programme Approval', 'Letter', 'Period Report', 'Demolition Report', 'Encroachment Report', and 'Monthly Roster'. A callout box labeled 'Existing Records.' points to the 'Request For Fixing of Demolition Programme' item. Another callout box labeled 'Reset Button will be used to clear applied filter.' points to the 'Reset' button. A callout box labeled 'Clicking on Search button we can search records on the basis of above text box.' points to the 'Search' button. A callout box labeled 'For sorting records ascending & Descending order.' points to the 'Sort by Locality(Village)' dropdown. A callout box labeled 'Here we can perform Request Operation.' points to the 'Request' column in the data table. A callout box labeled 'Pagination' points to the 'Showing 1 to 5 of 5 entries' and '10 *' pagination controls. The main content area displays a table with columns: Date, Locality(Village), Khasra No., Police Station, Security Guard on duty, Status, and Operation. The table contains five entries with sample data.

Date	Locality(Village)	Khasra No.	Police Station	Security Guard on duty	Status	Operation
20 Jan 2021	ganesh colony 123	0//10	subhas palace area choki	yogendra	DDA Land	Request
12 Nov 2020	M/o Isolated Pkt. 21 Nas...	0//111	netaji chok police station	santosh	DDA Land	Request
02 Dec 2020	Sector-17 Dwarka	0//10	subhas palace area choki	sachin	DDA Land	Request
01 Dec 2020	Sub city wholesale market at GT Karnal	90/45	netaji chok police station	yadav	DDA Land	Request
	Sub city wholesale market at GT Karnal	0//10	netaji chok police station	dinu	DDA Land	Request

Request Page- Here we can perform request operation.

The screenshot shows the 'Request For Fixing of Demolition Programme' page. At the top right is a user profile 'Hi Vedang'. The main content area has two main sections: 'Details' and 'Summary'. The 'Details' section contains two buttons: 'View Watch & Ward Details' and 'View Inspection/Encroachment Register Details'. A callout box labeled 'Here we Fetch record from watch & Ward details.' points to the 'View Watch & Ward Details' button. A callout box labeled 'Here we fetch all record from view Inspection/Encroachment Register.' points to the 'View Inspection/Encroachment Register Details' button. The 'Summary' section contains a table with columns: Sr.No and Items. It lists two items: 'Location of proposed demolition(colony/area/village/khasra No. etc)' and 'Total Number of structure proposed for demolition'. The 'Details' column for each row is currently empty.

Sr.No	Items	Details
1	Location of proposed demolition(colony/area/village/khasra No. etc)	
2	Total Number of structure proposed for demolition

Monthly Roaster Home Page.

The screenshot shows the 'Monthly Roaster' page with a search bar and a table of records. A sidebar on the left lists various reports. Callouts explain:

- Reset Button:** Used to clear applied filters.
- Existing Records:** The main table of data.
- Pagination:** Indicated by a large bracket below the table.
- For sorting records:** Ascending & Descending order.
- Clicking on Search button:** Searches records based on text input.
- Clicking on add more:** Redirects to create page (refer next figure).
- Operations:** View/Edit/Delete icons for each record.
- Here we choose all record from dropdown:** A dropdown menu for selecting records.

Add More Page- Here, we can add new records by entering details.

The screenshot shows the 'Add Details' page with fields for Department, Division, Security Guard, Zone, Locality, Year, and Month. A callout explains:

- Clicking on Create button:** Saves records and redirects to Home Page.
- Clicking on Back Button:** Redirects to home page of the same module.

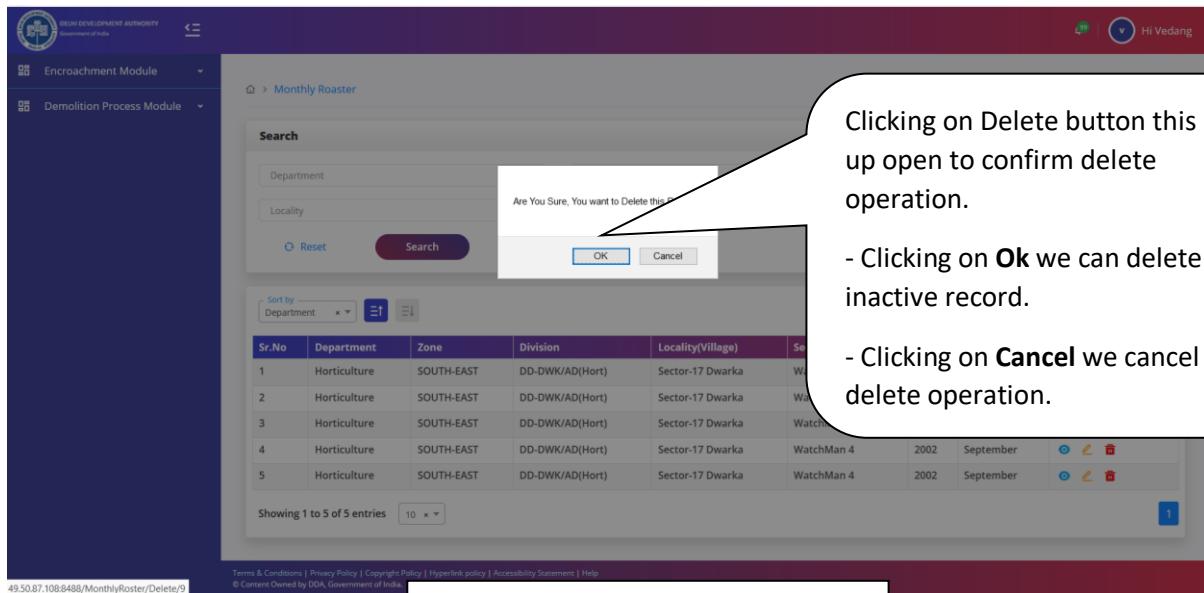

Monthly Roster View Page – Clicking on View button at home page under operation column, we will redirect to view page. Here we can read and verify the data.

The screenshot shows a monthly roster view page. On the left, there's a sidebar with 'Encroachment Module' and 'Demolition Process Module' dropdowns. The main area displays a grid for January 2001. Each row contains a date (28-Jan-2001, 29-Jan-2001, 30-Jan-2001, 31-Jan-2001) and a day of the week (Sunday, Monday, Tuesday, Wednesday). To the right of each date is a small rectangular box containing two entries: '1/MOR/EZ/1' and '1/MOR/EZ/1'. At the bottom left of the grid, there are 'Back' and 'Update' buttons. A callout box with a black border and white background points to the 'Back' button, containing the text: 'Clicking on Back, we will redirect to home page of same module.'

Monthly Roster Edit Page- Clicking on Edit button at home page under operation column, we will redirect to edit page. Here we can modify the data related to that particular record.

The screenshot shows a monthly roster edit page. The left sidebar has a vertical list of items: Watch & Ward, Watch & Ward Approval Process, Inspection/Encroachment Register, Inspection/Encroachment Approval Process, Request For Fixing of Demolition Programme, Request For Fixing of Demolition Programme Approval, Police Assistance letter, Watch & Ward Period Report, Inspection/Encroachment Register Period Report, Demolition Report, Encroachment Report, and Monthly Roster. Below this is another 'Demolition Process Module' dropdown. The main area is identical to the view page screenshot above, showing a grid for January 2001 with dates, days, and operation columns. The 'Update' and 'Back' buttons are at the bottom left. A callout box with a black border and white background points to the 'Update' button, containing the text: 'Clicking on update, we updated data of the same record & redirect to home.'

Delete Operation- Clicking on Delete button at home page under operation column a pop up will open to confirm the delete operation, we can delete (inactive) record of the module.

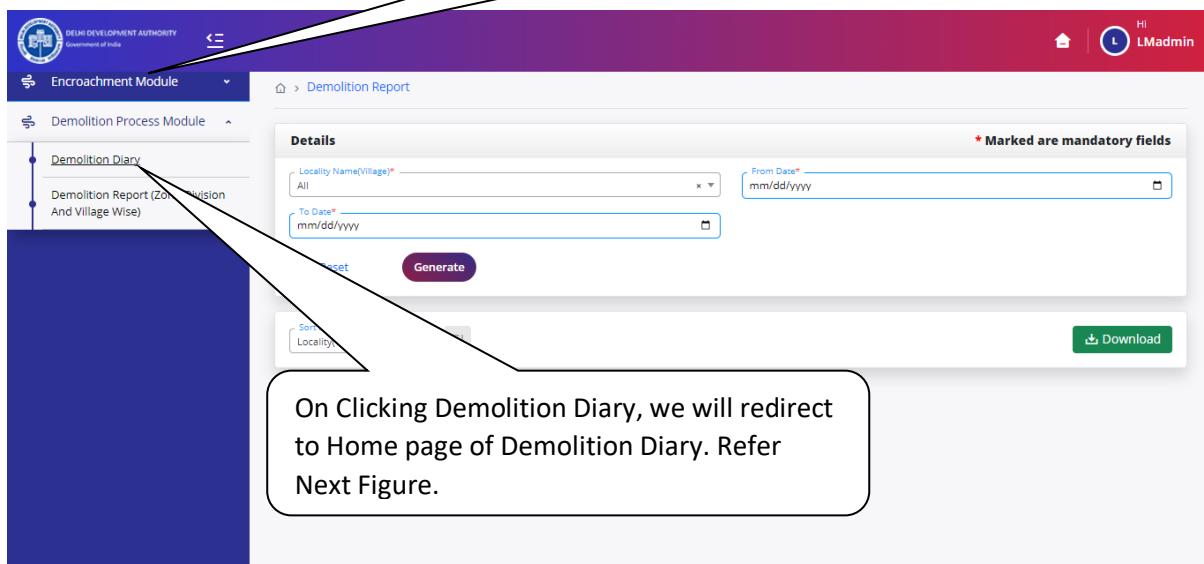

Clicking on Delete button this pop up open to confirm delete operation.

- Clicking on **Ok** we can delete inactive record.
- Clicking on **Cancel** we cancel delete operation.

Demolition Diary

Demolition Diary Home Page.

The screenshot shows the 'Demolition Diary' section of the application. At the top, there is a navigation bar with the DELHI DEVELOPMENT AUTHORITY logo, a search bar, and a user profile 'Hi LMadmin'. Below the header, there are two main menu items: 'Encroachment Module' and 'Demolition Process Module'. The 'Demolition Process Module' is currently selected. The main content area displays a table titled 'Demolition Diary' with the following columns: Inspection Date, Department, Zone, Khasra No./Plot No., Demolition Status, and Action. The table contains five entries from July 8, 2022, to July 13, 2022. A 'Sort by' dropdown is visible above the table, and a 'Download' button is located at the top right. A large callout box labeled 'Existing Records.' points to the table. Another callout box points to the 'Sort by' dropdown with the text 'For sorting records ascending & Descending order.' A third callout box points to the 'Action' column with the text 'Here we can perform different operation as View/Edit'.

Inspection Date	Department	Zone	Khasra No./Plot No.	Demolition Status	Action
08-Jul-2022	Engineering	ROHINI		Successful	
08-Jul-2022	Land Management	LM/NEW DELHI	841/2	-	
08-Jul-2022	Land Management	LM/NEW DELHI	1312, 1318 min	-	
12-Jul-2022	Land Management	LM/CENTRAL	77 to 88-229/104 min	Successful	
13-Jul-2022	Horticulture	SOUTH-EAST	PL No. SE/DD-VII/67	Successful	

Add More Page- Here, we can add new records by entering data into the given fields.

The screenshot shows the 'Demolition Process Module' section. It includes two main forms: 'Demolished Structure' and 'Area Reclaimed'. The 'Demolished Structure' form has columns for Sr.No, Demolition Date, Structure Name, No Of Structure Demolished, No Of Structure Remaining, and Action. The 'Area Reclaimed' form has columns for Sr.No, Demolition Date, and Area Reclaimed (In Sq mtr.). Both forms include a 'Submit' button at the bottom. A callout box on the left points to the search bar in the 'Demolished Structure' form with the text 'Clicking on Search button we can search records on the basis of above text box.' A callout box on the right points to the 'Back' button with the text 'Clicking on Back Button, we will redirect to home page of the same module.'

Sr.No	Demolition Date	Structure Name	No Of Structure Demolished	No Of Structure Remaining	Action
1	07/19/2022	Temporary Structure	17	0	
2	01/01/2001	--Select--			

Sr.No	Demolition Date	Area Reclaimed(In Sq mtr.)
1	07/19/2022	650

View Page – Clicking on View button at home page under operation column, we will redirect to view page. Here we can read and verify the data.
