Home Page: This is the home page of New Land Acquisition Module.

Proposal

Proposal Details

On Clicking proposal, we will be redirected to Home page of proposal. Refer Next Figure.

[Type here]

Request submitted by Planning Department Home Page.

The screenshot shows a web application interface for the Delhi Development Authority. The top navigation bar includes links for 'Proposal', 'Notifications', 'Awards', and 'Enhance Compensation'. On the right, there's a user profile for 'LMadmin'. The main content area is titled 'Request' and contains a search bar with fields for 'Scheme/Proposal Name' and 'Area/Locality', and a 'Search' button. Below the search bar is a table with columns: Scheme/Proposal Name, File No., Requiring Body, Area/Locality, Status, Approval Status, and Operations. The table lists several entries, including 'testmarch', 'a', 'a', and 'A1test'. A pagination control at the bottom shows 'Showing 1 to 5 of 80 entries' with a dropdown set to '5'. A red callout box points to the 'Reset' button with the text 'Reset Button will be used to clear applied filter.' Another red callout box points to the 'Search' button with the text 'Clicking on Search button we can search records on the basis of above text box.'. A blue callout box points to the 'Add More' button with the text 'Clicking on add more we will redirect to create page (refer next figure.).'. A green callout box points to the 'Operations' column with the text 'Here we can perform different operation as View.'. A yellow callout box points to the 'Sort by' dropdown with the text 'For sorting records ascending & Descending order.'. A grey callout box points to the 'Existing Records.' link in the left sidebar with the text 'Existing Records.'

- Request submitted by Planning Department Add More Page- Here, we can add new records by entering data into the given fields.
- After Click on Submit Button Record will sent for approval and follow Approval process steps.

The screenshot shows the 'Add Details' page for adding a new record. The top navigation bar and user profile are the same as the previous screenshot. The main form has fields for 'Scheme/Proposal Name*', 'File No.*', and 'Area/Locality*'. It also includes sections for 'Requiring Body*', 'Area Under Request', 'Acquisition Area*', 'Input Plan/Zonal Plan/Master Plan (pdf Only Upload)', 'Remarks', and 'Status' (with options 'Active' and 'Inactive'). A red callout box points to the 'Status' field with the text 'Here we choose record status as Active /Inactive.'. A blue callout box points to the 'Submit' and 'Back' buttons with the text 'Clicking on Back Button, we will redirect to home page of the same module.' A grey callout box points to the 'Marked are mandatory fields' note with the text 'Clicking on submit we save records. And redirect to home page.'
